Dear Fellow Knights,

It is my pleasure to present you with the 2011-2012 Assumption High School Annual Report. It is such a joy to share with you the past year's successes and celebrations which reinforced Assumption's already strong tradition of excellence. Over the years the faces in our halls may change, but the devotion to our Catholic faith, strength in academics, and emphasis on building student character is ever present.

After 6 years back at Assumption, I can say from experience that we are continuously moving in a direction of improvement for our school. While it would be easy to sit back and celebrate our success, we continue to provide new opportunities that prepare our students for current challenges, as well as the challenges of tomorrow. Without the continued support of our generous donors, we would not be able to accomplish the tremendous task of preparing our students for the future. Your dedication has enabled us to maintain the level of excellence that has come to be expected from Assumption High School.

On behalf of the students, faculty, and staff of Assumption High School, thank you for your continued commitment to Catholic School education. Your generosity makes all things possible!

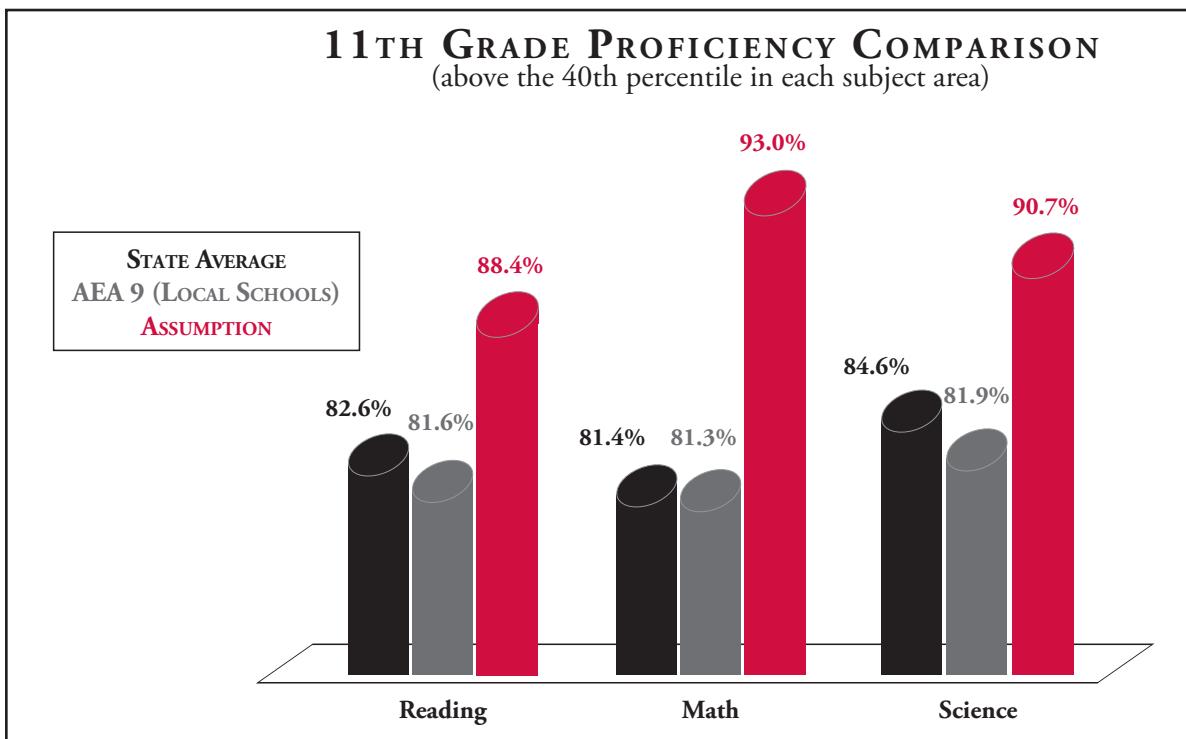

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Craig".

Andrew Craig '95  
PRESIDENT

**I N S T I T U T I O N A L A C C O M P L I S H M E N T S**

2011-2012 was another year of outstanding progress. Here are a few of the highlights:

The overhaul of the main gymnasium wrapped up with the addition of a new sound system. We were especially proud of AHS students who led this initiative by contributing over \$10,000 raised through the Senior Class Spaghetti Supper and various Student Council activities.

In recent years, we have tackled a new remodel project each summer and this year was no different. Our former keyboarding and publications labs, classrooms S-6 and S-8, were renovated over the summer into a state of the art technology lab. Two rooms were turned into one, the floor was replaced, and even the old "stand-up" outlets became a thing of the past! The end result is a fantastic addition to the school that can accommodate 88 students in either collaborative or individualized learning environments.

Keeping up with technology is a challenge for most schools; at Assumption, it's a challenge we are meeting head on. Last fall Assumption's computer network went wireless, and this fall Assumption went 1:1 with laptop computers for juniors and seniors, a program that came to life after three years of planning. In addition, teachers

were issued new laptops for classroom use, and 30 laptops were purchased to supplement computer access for our freshmen and sophomores.

In addition to increasing technology in the classroom, AHS teachers are also increasing their knowledge on how to effectively use our new technology by participating in a variety of training initiatives. Teachers also received further education on differentiated instruction and the new Iowa Core Curriculum Standards in Mathematics and English.

The physics lab also received a facelift - it's first since 1996 - and Villa Maria Childcare Center, located in the former convent, expanded into a fourth program room. Under the "totally non-glitz" category, a portion of the domestic hot water pipes that were part of the original construction in 1958 were replaced.

May brought a spectacular close to the school year when Mrs. Wendy Martin, one of Assumption's outstanding science teachers, was chosen as one of the top five teachers in the country in the nationally syndicated *LIVE! With Kelly* show's search for the Top Teacher.

### APPRECIATED SECURITIES

Gifts of marketable stocks, bonds, or mutual fund shares that have appreciated in value can have an immediate benefit for Assumption and a favorable tax result for contributors.

### BEQUESTS

You may designate Assumption as a shared beneficiary on a life insurance policy. This can be done on a new or existing policy, an IRA annuity, employer group term insurance, or retirement plan. An outright bequest to Assumption High School may reduce the taxation on your estate, making the net cost of your gift much less than its face value.

### DEFERRED GIVING

In recent years, many donors have chosen to make charitable gifts during their lifetime. A charitable remainder trust (CRT) is a perfect vehicle for some. Income from a CRT can be available to the donor for his/her life, and potentially to another beneficiary named by the donor. Upon the death of the donor and any named beneficiary, the remainder passes to the school.

### IN-KIND GIFTS

In-kind gifts are non-cash donations that are used to carry out our educational mission. Gifts-in-kind include books, music, computers, construction materials and much more. Assumption is grateful for the in-kind gifts made between July 1, 2011 and June 30, 2012 by those listed below:

Cy's Rental • Doyle & Keenan, P.C.  
Fidlar Printing Company • RSM McGladrey & Pullen

### MATCHING GIFTS

Matching gifts are a wonderful way to double or even triple your annual gift to Assumption High School! In turn you will receive recognition for the total value of the combined gift. Thank you to the following companies for matching gifts donated during the last fiscal year.

Abbott Fund • CSG Systems, Inc. • IBM Corporation  
The Medtronic Foundation • MidAmerican Energy Company  
PNC Foundation • Prudential Foundation

## SALSA KNIGHT!

We would like to extend our sincerest thanks to all who helped make Salsa Knight, Assumption's 26th April Knight, such a wonderful and fun-filled evening. When you combine a lot of great auction items and a very generous crowd, the outcome is sure to be a success!

As always, April Knight would not be possible without the commitment of AHS parents, students, friends, faculty and staff. A HUGE thank you to all of our wonderful volunteers for the countless hours spent making April Knight an enjoyable and successful event!

We would like to especially thank the following 2012 April Knight Corporate Sponsors:

### PARISH SUPPORT

Parishes in Davenport and Bettendorf have provided annual support since the opening of Assumption High School in 1958. This key component of Assumption's annual budget reflects the strong commitment by our parishes to provide Assumption students with an excellent Catholic secondary education. Thank you to our supporting parishes; we couldn't do it without you!

Holy Family † Our Lady of Lourdes † Our Lady of Victory † Sacred Heart Cathedral  
 St. Alphonsus † St. Anthony's † St. Mary's † St. John Vianney † St. Paul the Apostle

Dr. C.F. "Larry" Barrett

Dr. Larry Barrett was a generous and long term supporter of Catholic education at Assumption High School – being one of the original organizers of the Assumption Foundation in 1973. Doc and his wife, Lois, sent their five children (Geri '64, David '66, William '68, John '74, and Kathleen '75) to Assumption. Over the years they assisted dozens of students in attending Assumption through their gracious scholarship offerings. We were honored to be remembered in Doc's estate plan. His bequest was placed in the Assumption Foundation where it will provide endowed support for years to come.

### C L A S S O F ' 6 2 C H A L L E N G E

In 2007, the Assumption Class of 1962 - the first graduating class to spend all four years in the new Assumption High School - initiated the "Class of '62 Challenge," challenging each member of the class to make a commitment to Assumption. Their hope was to make a significant class gift to the school upon the 50th anniversary of their graduation. This year, the class presented Assumption's President, Andy Craig, with a very significant check in the amount of over \$113,343! Thank you to donors from the Class of 1962. Your generosity will not soon be forgotten!
