June 5, 2020

Dear 2020 Assumption Baseball and Softball Parents,

We are very happy to provide a shortened summer sports season at Assumption. We are asking our parents for understanding and some help along the way. All practice and game guidelines are posted on our school website. We need to have full cooperation and 100% compliance with all guidelines to make this a safer environment for our players, coaches, and families.

Our coaches are instructed to take attendance daily and ask each player if they had their temperature taken. Players must be dropped off by a parent or guardian, and parents/guardians must then either leave the grounds or remain in their vehicles during practice. No one other than players, coaches, and school officials are allowed at practices. If any player has tested positive or been exposed to COVID-19, please contact the Assumption Administration immediately.

Players must bring their own water/beverage, food, and hand sanitizer, and these items should not be shared between players. When possible, please have players use their own equipment and disinfect this equipment daily. Players are expected to maintain social distancing at practices and whenever possible. Players should wash hands and shower at home following all practices and games.

Transportation – At the varsity level, our players and coaches will meet at a specified time for away games that are in the Iowa Quad Cities (Davenport, Bettendorf, Pleasant Valley and North Scott). For all games that are outside the immediate area, Assumption High School will provide transportation to and from games. Players riding our buses will sit one person to a seat and are encouraged to wear a mask while on the bus. Buses will not stop to eat on any trips. Parents/guardians may transport their player to and from games, and we strongly encourage players ride home with their parents if possible. Please notify the coaches in advance if you will be transporting your player to or from a game.

All MAC schools other than Assumption will be limiting game attendance at their facilities to three (3) "Gate Passes" per player. Anyone attending games at all other MAC schools must have a "Gate Pass" to purchase admission to the games. These "Gate Passes" will be given to each player prior to the games. We are not planning to limit our attendance at home games as long as social distancing can be maintained.

Please review all guidelines and check for new information often. Good communication is a must in the current situation. Please continually remind your players of the guidelines and teach them to be self-aware of their own behavior, listen to their coaches, and follow directions. Good luck to all and please do not hesitate to contact me if you have any questions. Let's have a great summer and Let's Go Knights!

Yours in the Assumption Spirit,

Wade King
Athletic Director
