The annual senior service project has been a tradition at Assumption for more than 50 years; it was started in December of 1959 by Father Louis Colonnese and Assumption's second graduating class, the Class of 1960.

"The goal of the event is to provide a good meal, friendly service, and an opportunity for the extended Assumption community to return home," said Principal Bridget Murphy '97.

DODGEBALL FOR DIAPERS

This event is used to promote the school-wide collection of diapers (and money to purchase diapers) for donations to our designated charities. Throughout the week, members of Student Council will collect money and diaper donations before school at the student entrance and during lunches. Grade-level totals were kept in the cafeteria, and the grade with the highest per/student diaper total were given Whitey's malt cups at lunch.

RELIGION

The Assumption High School Religion Department believes students will more easily develop integral lives of faith in an atmosphere of trust, humble openness to the truth, and inclusivity. At Assumption High School, rather than approaching religion primarily as an academic subject, the members of the Religion Department invite students to cultivate a life of prayer and virtue, and teachers strive to teach through their lives as much as through their curriculum.

Sr. M. Anthony Worrell, O.S.F.

How are you connected to AHS?

I currently teach Junior Theology at Assumption.

What do you love most about working at Assumption?

We have Jesus. What more could a girl ask for? Having the Real Presence of Jesus in our school chapel is an incredible privilege and one I am deeply grateful for. The hidden and humble Jesus of the Tabernacle is a constant reminder that we believe in a God that wants to be with us always. Jesus in the Blessed Sacrament is the clearest indication of Assumption's commitment to Catholic identity.

What are some things you enjoy doing in your free time?

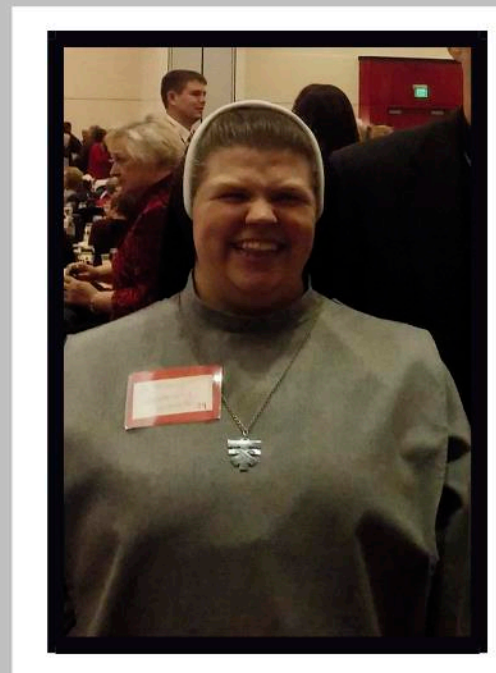

Ah, free time. My free time was joyously sacrificed the day I professed vows with the Franciscan Sister of Christ the Divine Teacher. I have learned to remind myself that time is also a fellow creature of God, obedient to the Divine will. God orders time so much better than I do – it is more fun to participate in His timeline rather than try to create my own!

What advice or encouragement do you have to share with current and future students?

I would say our students, current and future, desperately need to discover and form their ability to reason. Part of what makes humanity different than animals is the gift of reason. In this, we are capable of grasping truth. Find the truth that is universal and eternal.

What is your favorite Bible verse?

Ps 89:16 – "Happy the people who know you, Lord, who walk in the light of your face."

PSYCHOLOGY

This course is designed as an introduction to the principles of psychology. Students will study the dynamics of human behavior, including human development, creativity, intelligence, perception, and motivation.

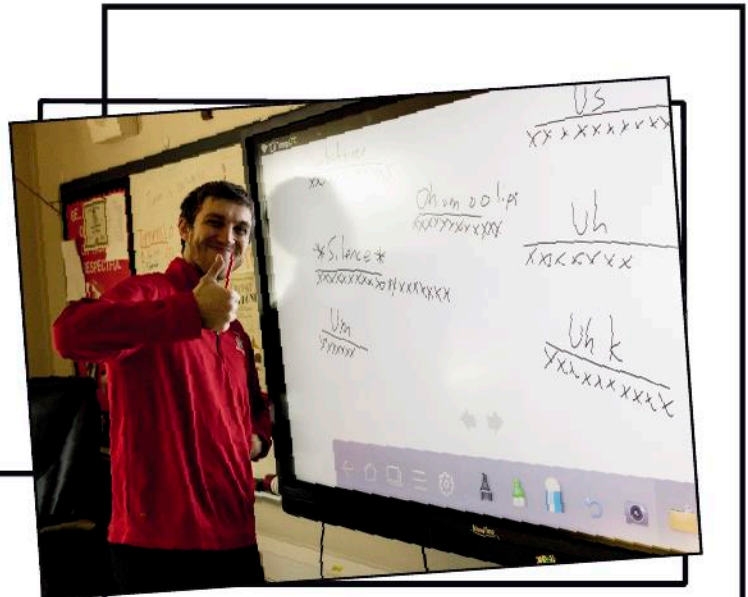

After students finished up their unit on The Brain & Sensation/Perception in Mrs. Imborek's class, they had an opportunity to receive extra credit by wearing their "brain helmets".

PHYSICAL EDUCATION

During their time at Assumption, students learn to apply health concepts to enhance their lives, utilize 21st century literacy skills to monitor their health goals, and analyze media and other influences to manage health situations and advocate for themselves and others. Through interactive, supportive, and socially responsible classrooms, Assumption educators introduce students to a wide variety of activities in order that they may find enjoyable, healthy physical pursuits to take with them both outside the classroom and beyond their high school experience.

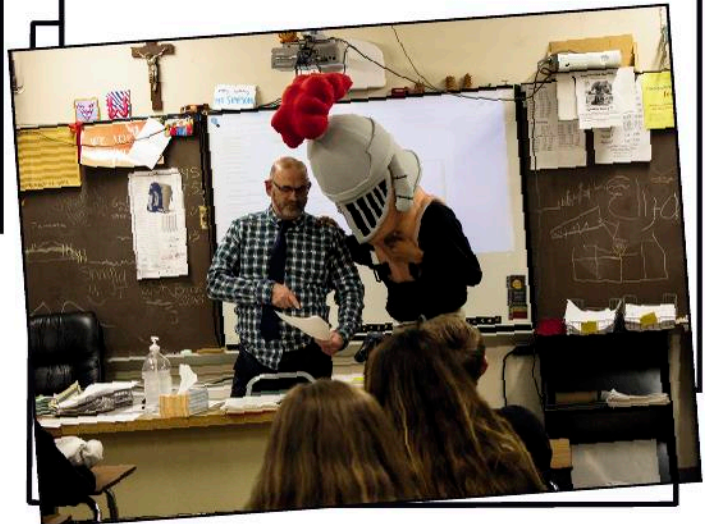

SOCIAL STUDIES

ENGLISH DEPARTMENT

HAPPY Mrs. Luton Birthday

Jan Luton, an 80-year-old English teacher at Assum...

"I went in a little nervous, but she ended up being one of the great mentors I've had so far," she said. "Her expectations for me were the same she expects for her students. Those high expectations and those standards have really helped me as a teacher and as a person. I know her students feel the same way."

The faculty had a custom dictionary made to celebrate Mrs. Luton's 80th Birthday. The decorated and the Marching Band even performed!

Mrs. McGuire, Mrs. Luton, Ms. McNamara, and Mrs. Lamp

In four years at Assumption, students read a wide variety of works designed to foster a love of literature and language and to illuminate both the shared concerns and the differing styles of writers from diverse backgrounds, locations, and eras.

Academic Decathlon is the premier scholastic competition for high-school students; it combines a Quiz Bowl competition with paper-and-pencil testing and presents students with a unique, interdisciplinary approach to developing skills. This AHS club brings together academics, communication, and teambuilding in a competitive framework that reinvigorates learning. Because each decathlete participates in all ten Decathlon events, students participating in the program enjoy a well-rounded scholastic experience that enables them to develop their strengths and overcome their weaknesses. Decathlon events include subject tests in eight academic categories (Art, Music, Economics, Literature, Science, Math, Social Studies, and Essay) and two interpersonal-skills events (Interview, and Speech).

The Assumption Visual Arts program covers a wide range of artistic expression. Students explore art education hands on, with activities ranging from basic art foundations to drawing and painting to ceramics to graphic art and design. A college-level Art Appreciation class is offered to students who are interested in earning college credit as a part of their fine arts requirement. Advanced art students have the ability to enter State competitions through the Iowa Art Educators. Students also have opportunities to participate and display in public such as QC Annual High School Art Competition and Bucktown Center for the Arts Pastel Competition.

New Uniforms

The Assumption Marching Knights debuted their new uniforms at an unveiling for the Music Boosters on July 27 at the St. Vincent Athletic Complex.

The band's first set of new uniforms in over 20 years made their first public appearance at Assumption's home football opener on Aug. 30 vs. Wahlert at Brady Street Stadium.

"The band is so excited to have new uniforms! While we enjoyed the old uniforms for many years, we are thankful for new uniforms that are lighter weight, easier to hem with snaps for the sleeves and pant legs, easier to clean, and have less pieces to them than our other uniforms," said Mrs. Erin Mahr, AHS Band Director. "Thank you to our music patrons and music boosters as well as Assumption for making this possible."

CONCERT BAND

Instrumental music is designed to give students experience in the major ensembles and mediums.

HONOR BAND

Nine students participated in the Augustana Honor Band on January 20th.

Fourth-ranked Assumption fell to fifth-ranked Osage in a five-set Class 3A quarterfinal at the U.S. Cellular Center, 25-22, 22-25, 17-25, 25-17 15-9.

Osage set the ball more inside the antenna to avoid hitting at VanSeveren, who collected 13 digs and kept many rallies alive in the second and third sets.

"(VanSeveren) was playing out of her mind, so we had to get the ball to Zone 1 and 6 and away from their libero," Osage coach Andie Olson said.

King had a career-high 16 kills, four blocks and hit a robust .609.

"Carly was just a monster up there, which was nice to see," Assumption coach Bre Scherler said.

Schubert, a sophomore, finished with 13 kills, 11 digs and two blocks. She and King were at the forefront of an Assumption offense that had 38 kills in the first three sets.

3X STATE CHAMPION

Julien Broderson

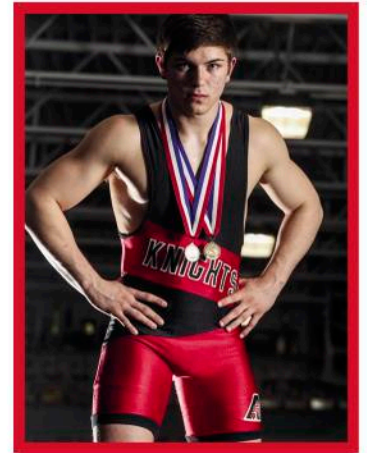

One of the most dominant high school wrestling careers in Quad-Cities history ended with his arm raised as another state champion.

Broderson recorded a 16-0 technical fall win over Central Lyon's Kolton Bus in the Class 2A 195-pound final to become just the second three-time state champion for the Knights.

"I'm very, very satisfied," Broderson said. "You have to have a killer instinct to be a very good wrestler. I go into every single match ready to take whoever steps in front of me."

Broderson finished the season 53-0, and he finished his career with a 112-match win streak. He became the 93rd wrestler in Iowa history to capture three championships.

He becomes the seventh Iowa Q-C wrestler to make that claim, joining Assumption's Josh Watts, Clinton's Dan Knight, Maquoketa's Eric Juergens and Cole Pape along with Bettendorf's Fredy Stroker and Jack Wagner. - QCTimes, Matt Coss

Assumption High School is pleased to announce the promotion of Jon Terronez to Head Wrestling Coach. Terronez spent the past season as an Assistant Coach with the Knights wrestling program at Assumption, helping the team to a seventh place finish at the 2018 Iowa High School State Wrestling Dual Tournament.

STATE WRESTLING

Senior wrestler, Julien Broderson, made history this season and won his THIRD consecutive state title. His fellow teammate, Seth Adrian, made a seventh place finish at his weight in the individual tournament. Ethan Forker, a freshman, also qualified for the state tournament individually. The whole team worked incredibly hard throughout the season which allowed them to compete at the elite state level.

Felderman pinned Independence's Caleb Straw late in the first period to clinch the fifth-place dual for Assumption 39-35 on Wednesday evening at the Class 2A state tournament inside Wells Fargo Arena.

Boys' Soccer Takes Runner-up at State

The Assumption Boys' Soccer Team earned a return trip to the Iowa Class 1A State Tournament in Des Moines, marking the second straight season the boys team has advanced to play at the Jam W Cownie Soccer Complex in Des Moines.

Under longtime head coach, Greg Zeller, the Knight ballted against Gilbert in the quarterfinals before falling 1-0 in double overtime. A 2-0 district final win over West Liberty, along with a 2-1 substrate victory over Dubuque Wahlert, propelled Assumption to back-to-back state tournaments for the first time since the Knights made six consecutive trips from 1998 to 2003.

Following the season, senior Trent Fitzpatrick, who is now Assumption's all-time leader in career goals with 66, was named All-Iowa Class 1A by the Des Moines Register. Fitzpatrick, along with fellow seniors Sam Moore and Jon Bassier, were voted First Team All-Conference by the MAC Coaxhes, while Senior Augustine Rosas and junior goalkeeper Gaige Ash were Second Team picks. The Knights finished the year 12-9 overall and return a strong group of underclassmen next year.

GIRL'S STATE SOCCER

The Assumption Girl's Soccer Team won its third consecutive Iowa Class 1A State Tournament title, marking the program's seventh state title in the last eight years. With a dominating 8-0 championship game win over Bishop Heelan (Sioux City) on June 9th at the James W. Cownie Soccer Complex in Des Moines. The Knights now own nine Iowa Class 1A State Titles, matching Cedar Rapids Xavier for the most girls soccer state tournament championships in state history.

Making their 12th straight appearance at the State Tournament, the Knights broke their previous state record for goals scored in the state tournament, with 21 goals in wins over North Polk (8-0 in the quarter-finals), Center Point-Urbana ((5-1 in the semi-finals) and Bishop Heelan (8-0). The 21 goals topped the old mark of 14 set by the Knights at the 2017 State Tournaments.

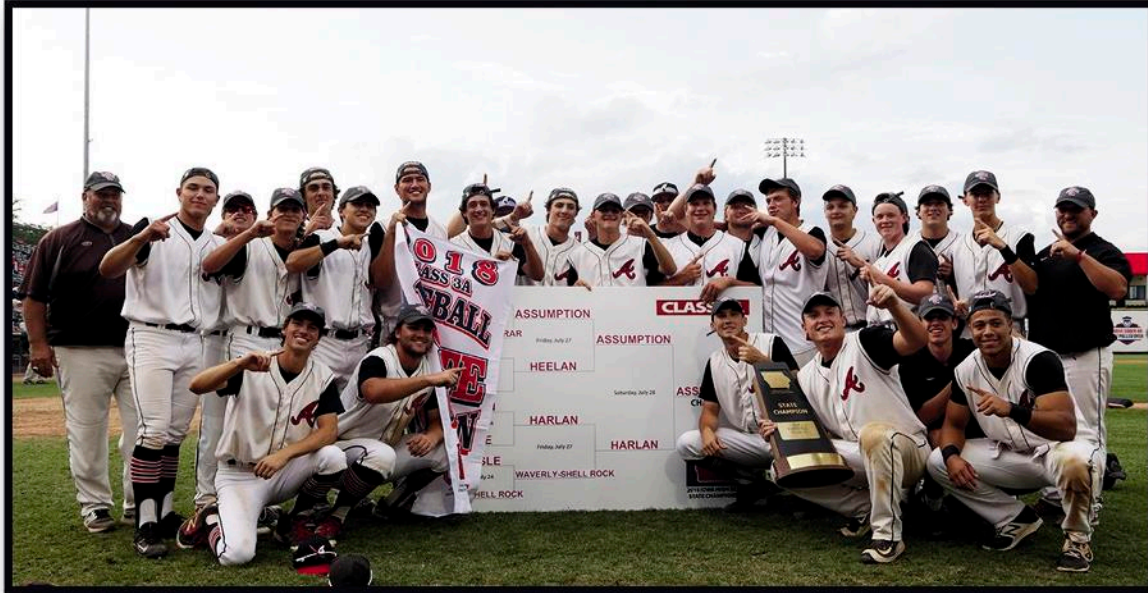

Juniors Carly King and Anna Vonderhaar were named to the 1A All-Tournament Team, as were seniors Bridget Poster and Molly Gervase (tournament captain for the second straight year).

Following the tournament, Gervase, King, and Poster were voted 2018 Iowa Class 1A First Team All-State by the IGCA. Gervase, who will continue her soccer career at the University of Denver, was also named Elite All-Iowa by the Des Moines Register, while King was tabbed All-Iowa Class 1A by the Register. All four players were also First Team All-MAC selections for the 2018 MAC Co-Champions.

The Knights finished the year 18-2 (8-1 MAC) overall under third year head coach Elizabeth Maus '03, who was named Class 1A Coach of the Year by the IGCA.

THE GREAT OCEAN *cleanup*

In September of 2018, after five years of research and testing, the world's first ocean cleanup system was launched from San Francisco Bay. The 600 meter long boom uses oceanic forces to round up plastic waste that litters the ocean. After a two week trial 350 miles into the Pacific ocean, it was confirmed that System 001 could travel the remaining 800 nautical miles to the Great Pacific Garbage Patch, one of five vast garbage patches that exist in the earth's oceans. Using science, meteorology and engineering, teams have figured out how to make the ocean currents work to their advantage and help clean up the plastic that litters, literally, every ocean.

GENEROSITY *delivers power*

For his seventh birthday, Avery Huddleston, an Illinois boy, asked for school supplies for school-aged children in Puerto Rico instead of gifts for himself. The relief team, delivering the donated supplies, noticed the school still had many classrooms without power. They then repaired transformer connections to fully restore electricity for the first time since Hurricane Irma hit in September of 2017. Thanks to Avery's efforts, the school received school supplies and electricity that they wouldn't have gotten without his generosity.
