A TRADITION OF EXCELLENCE

## Common New Student Questions

### 1. What are Assumption High School's hours?

Regular school hours are Monday through Friday from 7:45 a.m. – 2:50 p.m. Late starts and early releases will be listed on the school calendar. Assumption does **not** follow the Davenport Schools' Wednesday early dismissal schedule.

	<u>Phone Number</u>	<u>School Hours</u>	<u>Summer Hours</u>
Principal's/Front Office	326-5313 ext. 200	7:00 a.m. – 3:30 p.m.	8:00 a.m. – 12:00 p.m.
Business/Dev. Office	326-5313 ext.223/229	8:00 a.m. – 4:30 p.m.	8:00 a.m. – 4:00 p.m.
Athletic Office	326-5313 ext. 242	8:00 a.m. – 4:00 p.m.	8:00 a.m. – 4:00 p.m.

Attendance Desk	326-5313 ext. 270	7:30 a.m. – 3:00 p.m.	Closed

### 2. When is orientation?

Orientation will be held Tuesday, August 17<sup>th</sup>, and all incoming freshmen and new/transfer students are required to be present from 2-5 p.m. Students are asked to be in dress code for orientation. The student-only portion of the day will be devoted to meeting teachers, learning student schedules, accessing lockers, and familiarizing students with lunch procedures. Parents/Guardians are encouraged to arrive at 5:00 p.m. for an opportunity to get more parent-directed orientation information in the Assumption auditorium. This evening portion is intended for students and their parents to have the opportunity to not only feel comfortable with a variety of school personnel but to also connect with future classmates and their families. Highlights of the Assumption experience will be profiled, and a variety of AHS personnel resources will be on hand to get acquainted and answer questions. Families will learn ways to get involved at AHS during their student's high school career, we will come together to share in the blessing of our new students, and a picnic dinner will be provided by AHS in our cafeteria. We sincerely hope that our new students and parents/guardians find this busy day to be a great way to connect and feel at ease during this time of transition. Contact Mrs. Stephanie Schroeder, Director of Admissions, at [Stephanie.Schroeder@assumptionhigh.org](mailto:Stephanie.Schroeder@assumptionhigh.org) if you have any questions.

### 3. Is busing available on all school days?

Students living in Davenport who utilize Davenport Community School Bus Transportation will not have busing available on Wednesday afternoons. Other arrangements must be made for transporting regular Davenport bus riders home on Wednesdays and a few other days in which the Assumption school schedule does not coincide with regular release times due to special testing and/or events. Please reference the Assumption website for calendar information. Students riding an Assumption bus (those not eligible for Davenport busing) will be transported to and from school on all scheduled school days.

#### **4. Is there a code of conduct?**

Yes, all students are expected to comply with the Assumption High School Code of Conduct found on the Assumption website. Parents/Guardians are encouraged to review the Code of Conduct and discuss it with their students.

#### **5. How can a student change courses, if necessary?**

Student schedules are built during the summer using the course selections submitted through PowerSchool the prior spring. If a student would like to select a course other than one that was originally requested, he/she should contact Student Services as soon as possible.

Please note the following course drop/add procedures:

- A. Students have an opportunity to change courses prior to the start of each semester only if the requested change improves overall school course balance and class size.
- B. Once the semester begins, administrative and parental approval is necessary to drop or add a course.
- C. Schedule requests surrounding course time of day, teacher preference, or PE/Religion quarter assignment will not be considered.
- D. Students are not allowed to add courses after the first five school days of each semester.
- E. Students are not allowed to drop courses after the first mid-quarter of each semester.
- F. Teachers may request a drop or change in level for a student who is experiencing difficulty. Administrative and parental approval is necessary.

#### **6. What is the Religion curriculum like at Assumption?**

Assumption embraces the opportunity to teach Christian ideals in all facets of the educational program. Additionally, every student will participate in a Religion course at all times when attending Assumption. Due to the fact that Assumption is a Catholic school, the content of Religion courses is based in Catholic Christian teaching. Great care is taken to be respectful of non-Catholic students throughout such courses, and fostering general Christian, spiritual development is a priority.

Each semester, every student will take an age-appropriate Theology course (as outlined in the course catalog) for one quarter. The other quarter, each student will participate in a Community of Faith Seminar course that is based entirely online and accessible through each student's Canvas platform. During the seminar course, students will log community service hours (10 hours minimum per semester) and offer reflections on completed service via posted discussions. All online reflection postings are moderated by a member of the AHS Theology faculty. Students will receive individual grades for progress in both Theology courses and Community of Faith Seminar courses. Community of Faith Seminar courses will be participation based, and grades will reward regular, meaningful discussion within the small group. First semester course access will be distributed to all students via email and Canvas prior to the start of the semester, along with more specific information regarding course structure, expectations, grading rubrics, and login/password information.

Families are strongly encouraged to discuss this faith study with their students throughout each semester. We hope that this ministry effort is a catalyst for ongoing conversation regarding faith development both at school and beyond.

## **7. What about school dances at Assumption?**

A multitude of developmental opportunities present themselves during the high school years, and we are happy to partner with families to make sure those opportunities are positive for students. At Assumption, we are not only committed to the formation of academics; development of character, Catholic values, social maturity, and responsibility are also high on the list of our educational objectives.

Attending formal high school dances at Assumption has traditionally been a privilege reserved for upperclassmen. All students in grades 10-12 may attend Homecoming and Turnabout, while the spring Prom is reserved for juniors and seniors only. These dances are intended to be fun, supervised, age-appropriate social opportunities for our students. Students attend these dances either as singles or with dates, and permission for a student to bring a guest from another school can be requested. Attire is expected to be modest and align with the Catholic values upheld at Assumption High School.

Assumption Administration feels strongly that the rationale behind the opportunity to attend a "dated dance" beginning at sophomore year is still appropriate. That being said, it is clear that our 9<sup>th</sup> graders desire opportunities for social interaction, and we have an interest in mentoring them in that growth process. Assumption will continue to host a non-dated Freshman Formal exclusively for AHS 9<sup>th</sup> graders.

## **8. How do parents/guardians and students find out what is going on at Assumption?**

We make great effort to respect school access to parent/guardian contact information. All members of the Assumption Family are encouraged to regularly reference our website news blog at [assumptionhigh.org](http://assumptionhigh.org) for the most current school information. A weekly email update is sent to all constituents to direct attention to recent highlights and upcoming events. Please let us know if you have any questions or concerns as we are happy to assist!

## **9. What should a student do if he/she is sick?**

If a student becomes ill at school, he/she needs to report to the Library attendance desk or the Front Office. Office personnel will contact a parent/guardian for permission to go home. These offices have phones available for student use. ***Students may not leave without parental permission and without checking out at the attendance desk.***

**When a child is absent from school, parents/guardians must email ([attendance@assumptionhigh.org](mailto:attendance@assumptionhigh.org)) or call the attendance desk at 326-5313 ext. 270 before 9:00 a.m. In order for an absence due to illness to be considered "excused," a doctor's note must be turned in to the attendance desk upon the student's return to school. Students may not exceed 10 "unexcused" absences per class per semester. Class attendance is one of the greatest factors in promoting student academic success, and absence should be avoided whenever possible.**

## **10. Are students allowed to have cell phones at school?**

Cell phones are allowed during passing time and lunch periods. Use of cell phones during class is strictly prohibited unless permitted by a teacher for educational purposes. Inappropriate use of a cell phone will result in the confiscation of the phone. Confiscated phones must be picked up in the Front Office by a parent/guardian. Repeated violations of cell phone privileges will result in further consequences as outlined in the Code of Conduct.

## **11. How can I check on my progress at Assumption?**

There are several ways to check:

- Parents and students may check regular academic progress through our online gradebook and student information system, PowerSchool. This system is a wonderful

tool for both students and parents to keep up on class progress. PowerSchool can be accessed via computer at [assumption.powerschool.com](http://assumption.powerschool.com). There is also a PowerSchool app available through both Google and the App Store for mobile devices. (Our district code for the app is NKMS.) Families were sent PowerSchool username and password information via email upon application to AHS, but this can also be requested by contacting Mrs. Donica Mokosak at [donica.mokosak@assumptionhigh.org](mailto:donica.mokosak@assumptionhigh.org) or 563-326-5313 ext. 200.

- E-mail a teacher
- Call a teacher or Student Services
- Schedule a meeting with a teacher and/or Student Services

Students and parents/guardians will receive email progress reports through PowerSchool several times throughout the year. Semester report cards are issued via student and parent email twice each year. Parent/Teacher Conferences will be held in October and February (as indicated on the school calendar). Conferences are held on a drop-in basis (no appointment necessary) in the school cafeteria and classrooms during posted times, and families have the opportunity to meet with their students' teachers individually.

## **12. Can students/families tour the building and practice opening lockers prior to the start of school?**

At any time prior to the start of school, incoming students are welcome to schedule a visit. Please contact Mrs. Stephanie Schroeder at [Stephanie.Schroeder@assumptionhigh.org](mailto:Stephanie.Schroeder@assumptionhigh.org) if you would like to schedule an appointment. Locker assignments (and practice opening lockers) will be a part of new student orientation. Orientation (Tuesday, August 17<sup>th</sup>), gives access to the building exclusively to freshmen and new students. This provides students an opportunity for these new members of the AHS Family to familiarize themselves with the building and the location of their lockers and classrooms.

**Should you have additional questions or concerns, please contact the school at 563-326-5313.**
