A TRADITION OF EXCELLENCE

Fee Information

Student Account Payment for Tuition and Fees: Statements for tuition and fees were sent out in early July. Annual tuition for parish-subsidized students is \$5,995, for non-subsidized students is \$8,585, and for international students is \$11,490. All accounts should have made a payment in July.

Lunch Accounts: Students must have funds in their lunch accounts in order to make food purchases. Funds can be deposited by sending cash or checks to school or via the AHS website. All parents/guardians are strongly encouraged to create an ezschoolday account for their student as a means to check lunch account balances, review details of purchases, and receive reminder emails when funds are low. No fees are associated with utilizing an account. Accounts can be created at www.ezschoolday.com. Your student's six-digit ID number (also included as part of your student's PowerSchool/computer login password) is required when creating the account. Families interested in applying for free or reduced lunches should contact the Assumption Business Office for the necessary paperwork.

Parking: We very much appreciate student/family assistance with the respect for and management of our school parking lots. All students/staff who will be parking in the Assumption student parking lot must register their vehicle(s) at school registration and obtain Assumption parking permit sticker(s). Please bring all vehicle information (make, model, color, and license plate) of any cars your student may drive/park during the school day with you to registration. *There is no fee for student parking or vehicle registration!* Most importantly, however, in order to promote parking lot safety and respect for traffic flow/markings, we need to be able to identify cars parked in our lot. Fees and/or towing will occur in instances of non-permitted and illegally-parked vehicles. Cars unable to find a legal spot in our student lot will need to park at St. Vincent's Center or in a legal spot on nearby streets. *Vehicles parked in any fire lane, in visitor parking spaces, or otherwise parked illegally will be ticketed or towed.*

Yearbook: The cost of a yearbook is \$50. This rate includes a registration discount, and prices will increase to \$60 after August 20th.

Student Activity Passes: In the interest of promoting student attendance at school fine arts and athletic events, we are offering student activity passes for the 2021-2022 school year at a greatly reduced cost. For a one-time \$35 fee (paid at registration), a student's ID card will be printed to grant access to all home athletic events (except State-sponsored tournament contests) and all fine arts productions for the entire 2021-2022 academic year. Attending events is a great way to get involved and support fellow members of the Assumption Family.

Adult Athletic Passes: The cost for an adult athletic pass, the Gold Pass, is \$150. Gold passes grant access to all home athletic events (except State-sponsored tournament contests).
