2021 JOURNEY

Making The Most Of OUR Year

The 2020-2021 school year was unforgettable for many reasons. The COVID-19 pandemic certainly changed much of OUR school year, but it also provided many opportunities to grow. We will never forget spraying down OUR desks, sitting 6-feet apart, and having classes in the auditorium and gym balconies. More importantly, though, we will never forget how we safely made the best of this year. We still had traditional high school events like football games, all-school Masses, and Prom, and we had the opportunity to think creatively and problem solve when planning all of these events. We grew as individuals and as a whole, and we remained "one in the spirit" through it all.

Freshman Orientation was different this year than other years due to COVID-19. Students were still able to practice their schedules and get to know the school building in preparation for the first day of school. Some classes were moved to larger spaces such as the Small Gym and Gym Balconies so that students could be social distanced. After students met all their teachers, they walked out to St. Vincent's Field for dinner and the opportunity to meet other students and families. The dinner was moved to the St. Vincent's Field this year so that families were able to social distance.

HOMECOMING WEEK ACTIVITIES

Dress-Up Days

Tyler Maro, Katie Quinn, Morgan Jennings, Tayla Slack, Sarah Volquardsen, Matt Tallman, Bella Schlicting are sporting camo for camo day.

Bailey Petersen, Emma Frese, Olivia Lynch, Katie Boldt, and Katie Anderson are participating in wearing groutfits.

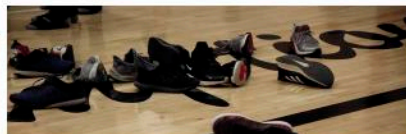

Every year during homecoming week, Assumption students form teams with their 5th period class and compete in a Tug of War and Over/Under tournament. This year's winners were Senora Crespo and Mr. Simpson.

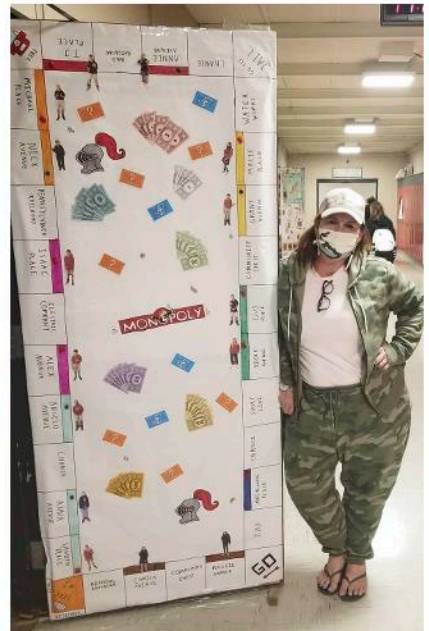

Tug of War and Over/Under

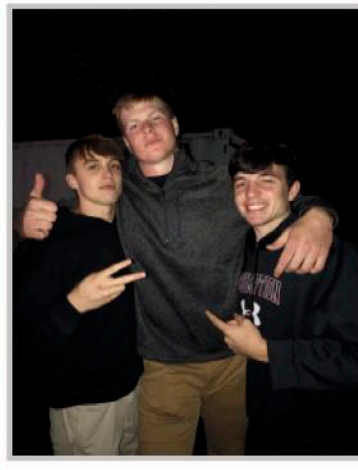

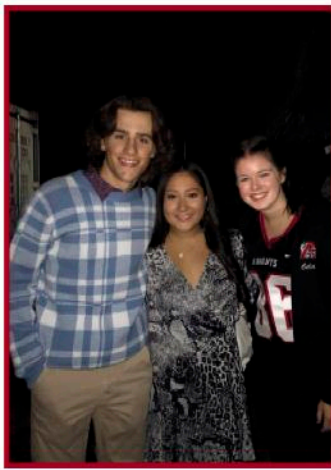

Door Decorating Contest

Monday of Homecoming week, every third-period class participates in an annual door decorating contest. Each class designed their door based on the week's theme, Game Knight. Every teacher hopes to win an award with their door for bragging rights and donuts for his or her class!

OUR HOCO BONFIRE

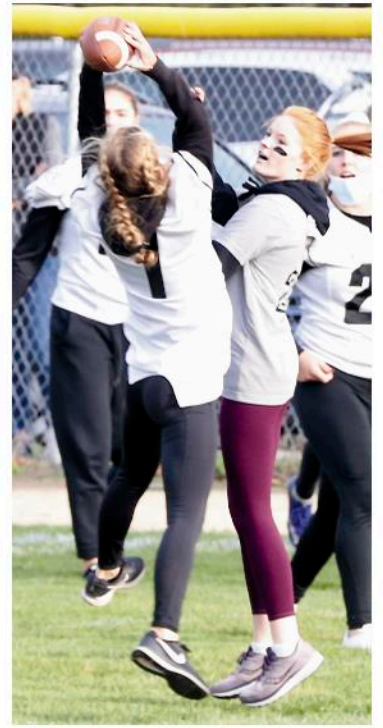

The Homecoming Bonfire is a classic tradition for Assumption students each year. Students enjoy time around the bonfire following the conclusion of the pep rally.

PEP RALLY

Logan Ehreke leads the crowd of students in the rollercoaster.

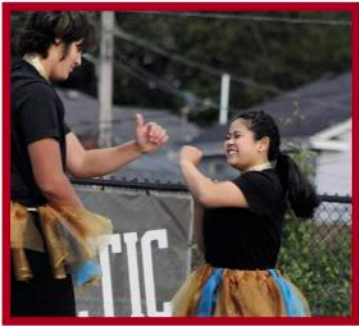

Students brought lawn chairs, blankets and lots of school spirit! KKD and the cheerleaders performed for the crowd of students, parents and alumni.

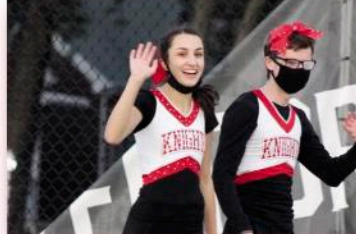

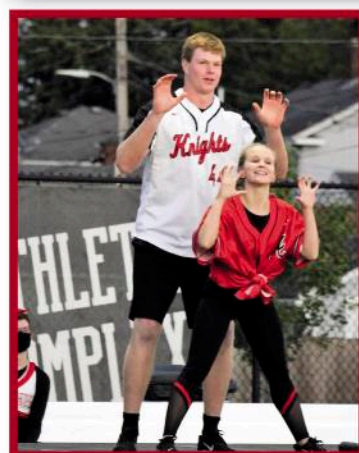

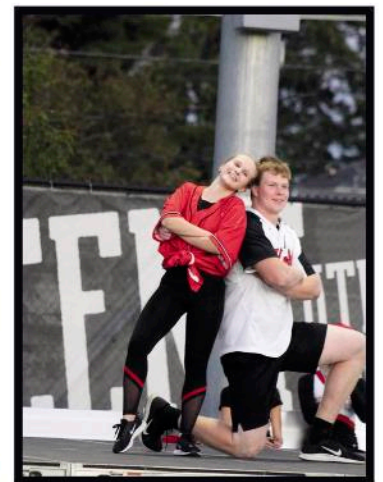

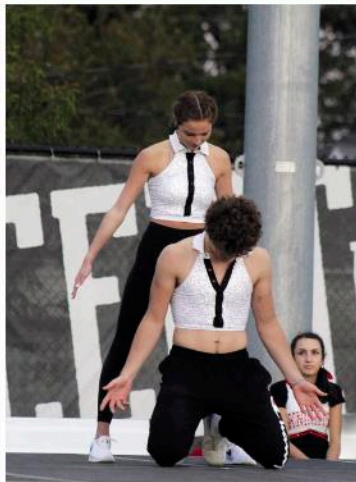

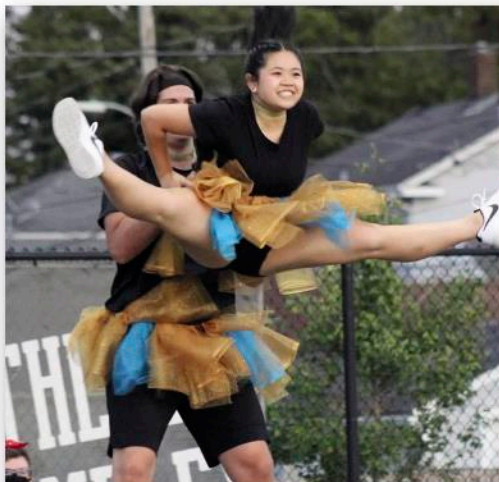

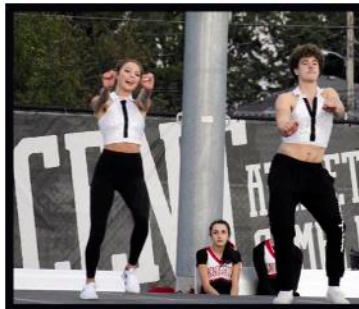

This year, the Homecoming Pep Rally looked a bit different. Because of COVID-19 and social distancing requirements, it was held at St. Vincent's field. The student MC's were Meredith Hanley and Tyler Smith.

DANCING with the STUDS

Every year at the Homecoming Pep Rally, senior boys compete against each other in a dance competition. They compete with a member of the Knight Kompany Dance Team. Our champions this year were Quinn Frese and Sophia Mucciarone.

Homecoming Dance "Socially Distant Social"

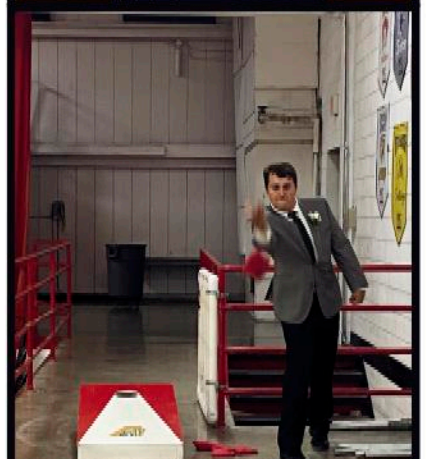

This year's Homecoming dance was very different from previous years! Since a traditional dance wasn't safe, a social event was thrown. Several games like bingo, ping pong, and Kahoot! were played, and winners won yellow tickets (LEFT) to redeem for \$5 gift cards to places of their choice.

Additionally, a magician performed several shows throughout the night (BOTTOM), and Comedy Sports performed at the end of the night (RIGHT).

Maya Mayeksi, Nataly Bahns, and Caroline Sieren were wowed by the magician.

Jason Armstrong Enjoyed the bags game in the gym.

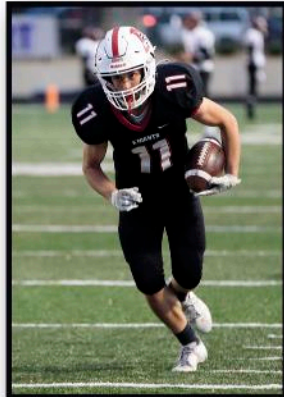

HOMECOMING GAME

The Assumption Knights beat the Clinton River Kings with the final score 63-6 and had lots of fun!

GO KNIGHTS!

LET ME HEAR YOUR KNIGHT SPIRIT!

Despite having a limited student section due to Covid 19, many fans still came to support the Knights!

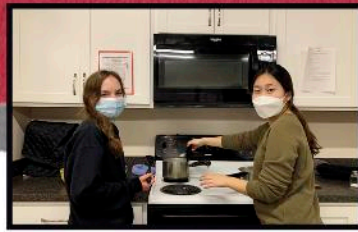

Halftime is always something to look forward to! Each class walks the track holding a banner of their graduation year. There are spectacular performances by the marching band, the Knight Kompany Dancers, and the cheerleaders to keep the crowd pumped up throughout the game!

OUR SENIOR

Spaghetti Supper

Every year, the senior class comes together to cook and serve a spaghetti meal for the community. Though dine-in eating was not feasible this year, students still cooked and delivered 272 meals to kick-off Catholic Schools Week.

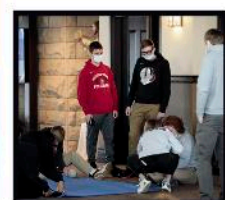

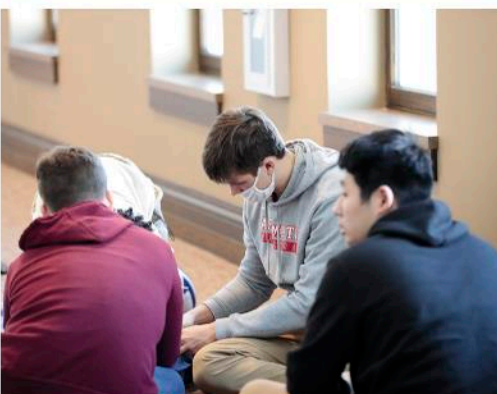

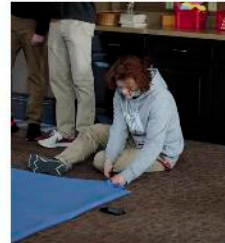

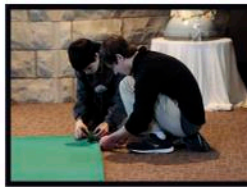

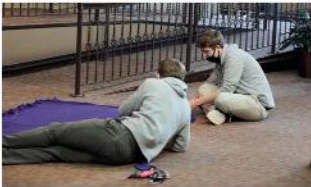

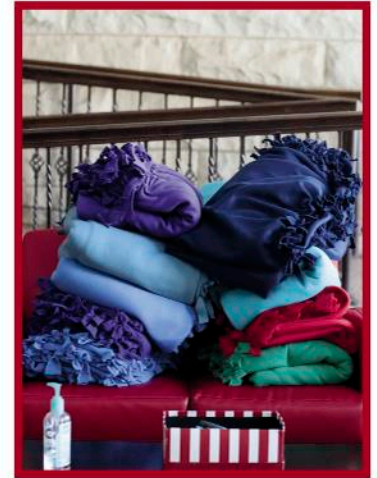

Students had a great time making food, packaging orders, and handing orders out, but the real fun started when a snowball fight broke out!

JUNIOR RETREAT

This year's junior retreat was held at Sacred Heart Cathedral. The theme of the retreat was service. The students made tie blankets to donate to shelters and posters to hang in nursing homes. They also went to Mass and listened to a couple of different speakers talk about their personal service experiences.

Dodgeball for Diapers

On Monday of Catholic Schools Week, we continued our annual dodgeball tournament tradition. Each sixth-period class forms a team and competes to win it all! This year's champions were Father Scott's Theology class.

FIERCE
Competition

sharing God's Gifts

Senior Quinn Frese has always been a bright light in the halls of Assumption! During the weeks of quarantine in 2020, Quinn started posting weekly videos to brighten up students' days even while we were apart. Quinn continued this tradition throughout the 2020-2021 school year every Friday, sometimes even with special guests!

Senior Quinn Frese is someone everybody at Assumption can count on to be a helping hand, a heartwarming smile, and a genuine friend. He writes handwritten notes to his friends, walks with people in the halls listening to details about their day, and takes time to truly get to know his teachers. Every day he is able, he holds open the door for exiting students heading to the parking lot after the dismissal bell has rung. He high-fives (This year, he used elbow-bumps instead due to COVID) everyone with a smile on his face.

Quinn's love for God is truly inspiring. The videos he posts weekly are evidence of this; in them, he interviews friends, teachers, and even former Assumption students. He asks them to share about their love of God, the plan God has for their lives, and how they follow this path.

Quinn, in the simplest terms, is an absolute ray of sunshine. During this scary and unknown time, Quinn's love for God and others has been unwavering and a good example for the students at Assumption of sharing the gifts God gives to each one of us.

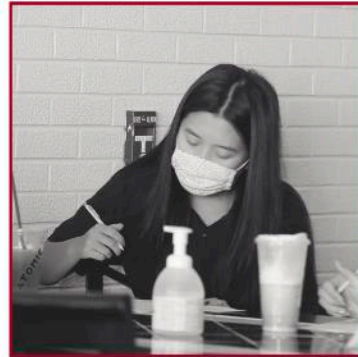

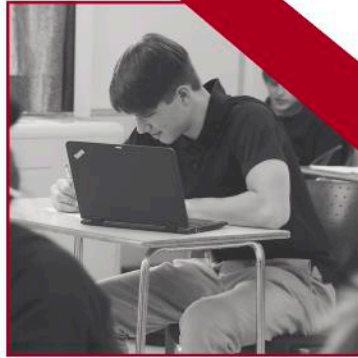

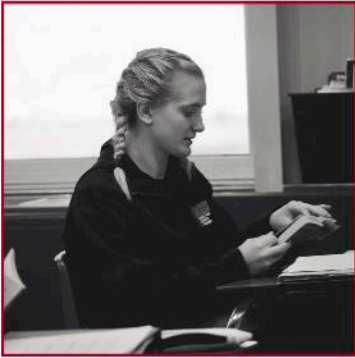

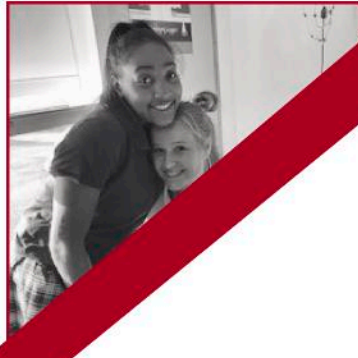

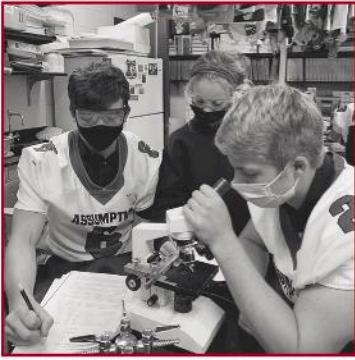

ABOVE: Quinn interviews fellow seniors Tyler Maro (left) and Matt Tallman (right). BOTTOM RIGHT: During his college visit to Loras, Quinn interviews former Assumption students about their journey of faith.

Even while quarantined himself and away from school for 10 days, Quinn consistently posted his weekly videos!

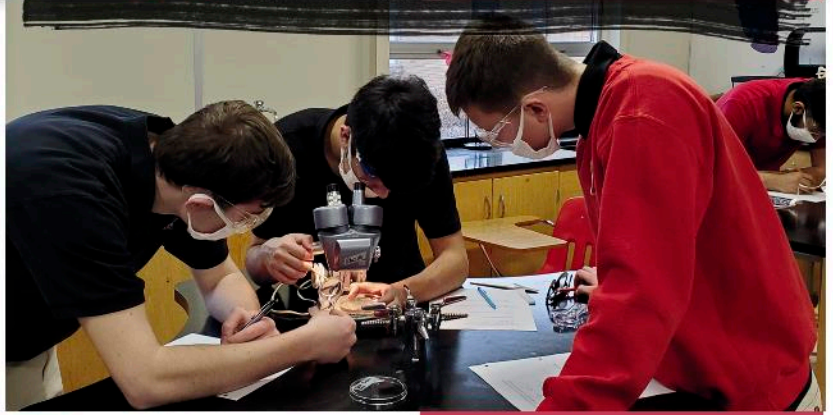

ACADEMICS

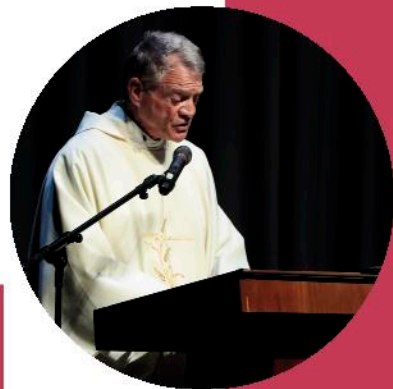

In zoology, students learn about different types of animals and participate in many labs and dissections to better learn about the species that they study.

Head down to S-Hall to learn all about animals!

Religion

OUR Faith

Because we go to a Catholic school, we are very blessed to be able to celebrate religion in our everyday lives.

The school requires theology classes for grades 9-12, an online faith seminar course for students while not taking theology, monthly all-school Mass, as well as weekly adoration and Divine Mercy Chaplets.

OUR year by @lukeklosedits

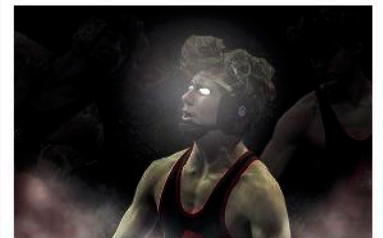

Sophomore Luke Klostermann has an Instagram account by the name of @lukeklosedits where he makes edits of his friends at Assumption in their various sports. He makes all different kinds of edits, including cartoon edits (see Keegan and Jay) and glowing photo edits (see Michael and Noah). He's made edits of Assumption wrestling, basketball, football, and baseball.

SPANISH ESPAÑOL

fiesta de
Navidad!!!

Due to Covid-19 social distancing requirements, many Spanish classes had to be moved to other locations, such as the LRC, cafeteria, and gym balcony this year. However, the students and teachers managed to make the best of the situation, by celebrating Christmas and Valentine's Day with fun fiestas!

English

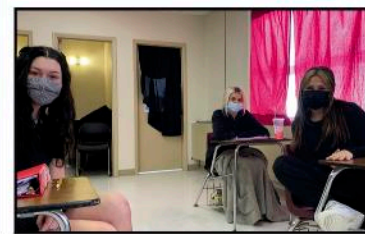

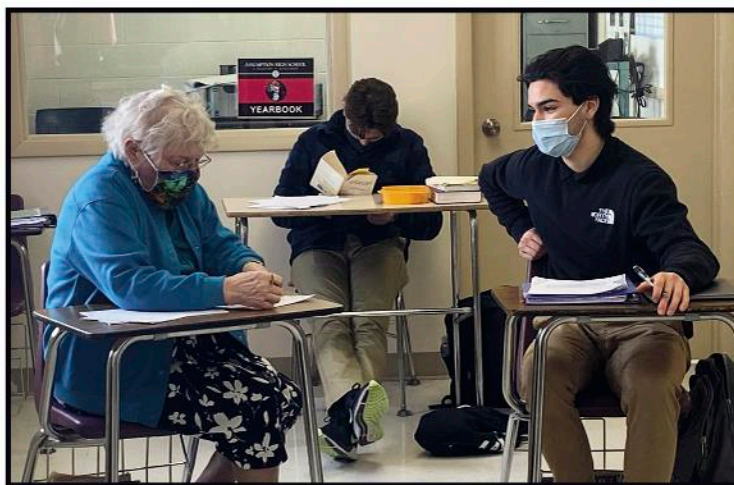

OUR teachers are always write!

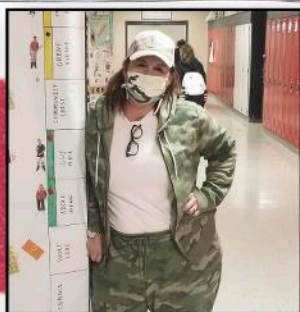

Please Elaborate:
Mrs. Luton is a firm believer that candy increases brain power, so she is sure to provide students with Tootsie Pop Suckers before exams!

The English teachers work together to assign great literature to study and enhance students' writing skills. From fun classes, like Literature Appreciation, to more serious classes, like College Composition, there is no denying that students learn much in the English Department.

Students seen in these pictures are dissecting a cow eye during their Eye Unit. A cow's eye structure is very similar to that of a human, just larger, so students learn a lot about the anatomy of human eyes from this lab.

In Anatomy, students learn about our bodies' anatomy and physiology. They do labs, perform dissections, interact with Stan the Skeleton, and do case studies about diseases.

Learning to keep Wellness OURselves healthy

Wellness is a comprehensive class designed to cover the following topics: mental and emotional health, nutrition, exercise, substance abuse, diseases, environmental health, and community health. Students will be graded on participation in class work as well as during discussion sessions. Students will be expected to develop and express their own philosophy of healthy living. First Aid and CPR will be taught.

FOODS

satisfying OUR tastebuds

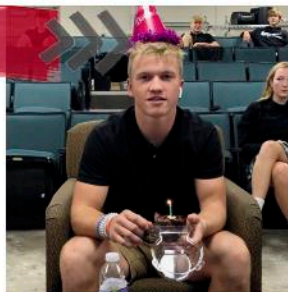

Foods is a senior-only class. In this class, Mrs. Huber teaches students their way around a kitchen and how to cook various foods. They do competitions in class against their classmates sometimes to see who made the better snack or sweet treat. Senior Olivia Lynch describes it as a "great time" and a "bonding experience" for her and her classmates.

CLUBS

ART

Let's Get Creative

Assumption students had another great year of creating art in one of Mrs. Sexton's art classes. Art Club helped Drama with costumes and props for the children's musical, Frozen. Mrs. Sexton was the sponsor for Art Club, and although most of the events the club usually participates in were cancelled due to the pandemic this year, she allowed students to create art work in her classroom. Art Club did projects that included painting on wood, watercolor painting, and set designs.

CAMPUS MINISTRY

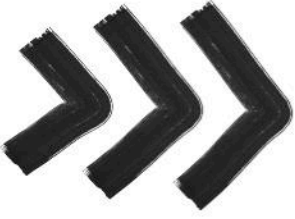

School Masses looked quite different this year due to COVID. We were able to have Mass in four different locations throughout the school: freshmen in the small gym, sophomores in the cafeteria, juniors in the big gym, and seniors in the auditorium. Each grade was able to social distance while still enjoying the Eucharist!

Amanda Herrington is one of several Altar Servers that help with Mass!

SAVING OUR PLANET ENVIRONMENTAL CLUB

In Environmental Club, we focus on improving Assumption's environment and our community around us. During our weekly meetings, we recycle as a team. We also volunteer at places in the QC, like the Botanical Center, and plan to volunteer at many more places. We are always welcome to new faces at any point in the year! Reach out to the presidents, Tatyana DelPreore and Taylor Roe-Mensing, for more information.

YEARBOOK CLUB

looking back at OUR year

In Yearbook Club, members take pictures of students and other school members at school events and during school. They make the yearbook pages throughout the year and put in lots of effort to make each yearbook one to remember! They decide the themes, pictures used, and everything in between. They are inspired by the students, each other, and their leader, Heather VanSeveren.

Students Against Destructive Decisions works to promote healthy, safe behaviors in the Assumption community. Every year, S.A.D.D. celebrates Red Ribbon Week, which informs students about the dangers of their decisions. They also plan Unplugged, which helps students wind down before each semester's final exams. This year, S.A.D.D. also planned Cancer Awareness Week and Mental Health Awareness Week.

Behind THE SCENES

No Assumption production is possible without the hard work and dedication of the technicians. Commonly called "techies", the crew makes productions come to life.

Each techie has at least one designated job; set construction, hair/makeup, lighting, sound, props, and costuming are the main areas of expertise. During the last two weeks of each production, these students spend countless hours preparing for the show, and they never fail to do a wonderful job.

The 2020 softball team made the program's fifth consecutive trip to the Iowa Class 3A State Tournament, falling in the semifinals (5-4 to Williamsburg), before regrouping for a 4-1 win over Mt. Vernon in the Third Place consolation final.

After just missing out on a fifth straight appearance in the state championship game, the Knights took a 2-0 lead in the top of the first inning and didn't look back, riding the arm of junior Libby Madden to a 4-1 win over the Mustangs.

In the quarterfinal round, the second-seeded Knights scored 15 runs on 10 hits en route to a 15-0 three-inning victory over seventh-seeded Boyden-Hull/Rock Valley.

Following the tournament, catcher Anna Wohlers and shortstop Maddie Loken were named to the Class 3A All-Tournament Team.

During the regular season, the Knights finished second in the Mississippi Athletic Conference standings (13-3 MAC) and compiled a 21-6 overall record.

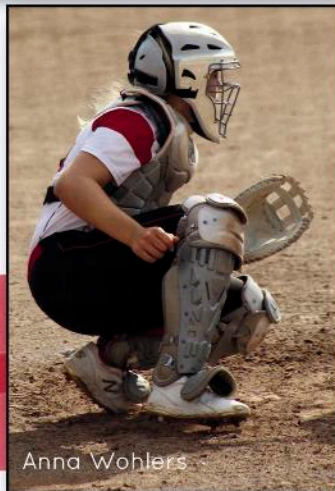

Following the season, Wohlers was named 2020 First Team All-State Class 3A by the Iowa Girls Coaches Association (IGCA), marking the third year in a row she has earned first team honors, as well as Class 3A All-Iowa by the Des Moines Register (2nd time). Both Lauren Loken and Olivia Wardlow were Second Team All-State selections by the IGCA.

Senior third baseman Carlie Sammon '20 will continue her softball career at the Minnesota State - Mankato, while fellow grad Gracie Jevyak '20 will join the softball program at Indian Hills.

Well after suffering a tough loss in the semi finals the girls bounced back today to get a great win in the 3rd place game. Im very proud of their performance today but even more proud of how they handled themselves all week. They were always where they were supposed to be, when they were supposed to be, and being extremely professional. This is a great group of young ladies.

After Friday morning practice, the swimmers received breakfast before school began.

This year four new swimmers joined the team and had a blast. Sophomore Maddie Carroll, who had never been on a swim team said, "I had a ton of fun swimming with such hardworking teammates, and we really made the best out of the season."

Throughout the season, the Knights were very resilient. Due to COVID, the wrestling team had to stop practice for a week in the middle of the season. The team also lost some key wrestlers throughout the season due to various season-ending injuries. Nonetheless, the Knights persevered and had 2 Champions for the MAC Conference, and in the postseason, had 7 Sectional Champions, 12 district qualifiers, were 2021 Team District Champions, and qualified for Iowa State Wrestling for the 21st time in Assumption High School history. The Knights worked very hard and had a great season!

The COVID-19 pandemic greatly affected how summer sports were played. The Mississippi Athletic Conference (MAC) decide to organize varsity schedules only. Since, younger Assumption athletes still wanted to play, Coach Ferrill put together a schedule for them. They had to travel to many small Iowa towns, they would not normally play in, to find teams that would play this summer. They had a great season developing their skills despite their unconventional schedule!

HOW COVID-19

Changed OUR lives

2020-2021

A year like no other

How has the pandemic affected you this year?

"The pandemic has changed the way we live our every day lives. However, despite being confined to a six feet rule, I am very thankful that we are still able to partake in our favorite school activities such as pep rallies, the homecoming bonfire, football games, etc."

-Maian Camacho

How is the classroom learning environment different this year?

"The classroom experience has really changed. It's been strange doing most of my work on my computer. As well as being able to do everything we do in the classroom while being at home quarantining."

-Miley Ashby

What has been your favorite thing about this school year?

"My favorite part of the school year during the pandemic was having the Homecoming Pep Rally at the St. Vincent's football field. It was so much fun to be outside and be under the stadium lights. It was definitely something that is a highlight being able to celebrate Homecoming week with everyone in a different way."

-Quinn Frese

"My favorite things about this year is getting to come to a new school and meeting a whole bunch of new people."

-Lucas Steining

How has your social life changed this year?

"My social life hasn't changed that much, except we couldn't go to many of the sports events. It's also weird to have to wear a mask all the time in general. I still forget it all the time. My friends and I all just wish everything would go back to normal."

-Grace McCarty

"My social life has changed dramatically. We are pretty much always seated six feet apart even at lunch so it makes talking to each other really hard. I also try to avoid big groups of people and people that don't wear a mask."

-Matthew Macias

Love,
Mom, Dad, Alison and Kristen

Ryan Michael Logan, you have amused and amazed us since the day you were born. You met every milestone as a baby, and once you learned to talk, you never stopped! You were outgoing and fearless. I was so anxious about the first day of preschool, and hung around nervously until you finally said, "You can go now, Mom." I left upset, not because you cried for me, but because you so readily moved on without me!

You are compassionate, extremely witty and an amazing drummer and bowler. This year will be a difficult one as we watch you move on without us once again. All we do know is that as we watch you head out on this next journey, we will see our boy as that 3 year old saying, "It's ok, Mom. I'm ready to go now." We realize now what a blessing your independence has been. You have a mind of your own and now all we can do is pray that we've taught you enough for you to follow the right path.

Love you! Mom, Dad, and Lauren

Love you forever and
always!
