## WELCOME TO ASSUMPTION

The 2021-2022 school year has been very memorable for many reasons. Last summer we cheered on our baseball and softball teams. Softball made it to state and won! We went to football games at the new stadium and cheered as loud as we could. We traveled to Cedar Rapids to watch our volleyball team at state. Cross country had an excellent season, and had individuals qualify for state. Girls swimming and boy's golf both had amazing seasons. The fall show, "You Can't Take it With You", was excellent. We watched as our boys and girls basketball and wrestling team fought their way to state. KKD went to state and won first in pom! The Knight Player's put on the children's show "Beauty and the Beast". Our cheerleaders were cheering for everyone through everything we did. The Knight Players put on another amazing musical, "Little Shop of Horrors". Our band and choir sent people to honor band and honor choir yet again. Our art classes and club made pieces that livened up our school. All of this plus our spring sports and the one act showcase confirms we are "one in the spirit" at Assumption High School.

This school year we have 451 students. 118 Seniors, 113 Juniors, 107 Sophomores, and 113 Freshmen. Four of those students are International Exchange students.

# IN THE KITCHEN

Students signed up for shifts during the day to prepare the meals for the Spaghetti Supper. Students made noodles, sauce, and garlic bread, while others packaged pasta and delivered the meals.

The annual senior Spagetti Supper service project has been a tradition at Assumption for more than 50 years. The tradition started in December 1958 by Father Louis Colonnese and Assumptions second graduating class, the class of 1960. This is a great way for the seniors to give back to the community.

# SPAGHETTI SUPPER

The seniors prepared 260 meals for distribution and another 75 meals to go to Café on the Vine.

"It is always wonderful to watch our seniors band together in this class service effort. The class of 2022 was exceptional in their work-ethic, teamwork, and customer service. I was very proud to see the way they came together for this class event." - Mrs. Murphy

# student HUNGER drive

Assumption participated in the Student Hunger Drive this year, which is run by Student Council. Assumption donated a total of 13,000 pounds of cans to the River Bend Food Bank. This is equivalent to 17,000 meals total and 33 pounds per Assumption student!

# JUNIOR *retreat*

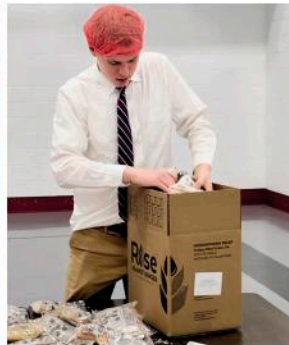

During the retreat, juniors packaged meals for Feeding America. The packaging included many steps: tables would scoop the rice and vegetables, runners collected the bags and delivered them to the sealing table, and sealers would weigh the bags and seal them. After the bags were sealed, they were packed into boxes. The boxes were loaded onto a truck. For every 100 meals prepared and boxed, Juniors celebrated by "banging the gong" and cheering.

# OOT for rachel

After a cough and shortness of breath during the spring of her junior year, snr. Rachel Schneider was diagnosed with stage 2 Hodgkin's lymphoma on June 4th, 2021. Rachel underwent twelve treatments of outpatient

chemotherapy from June to December of 2021. She did this while still going to school and keeping up her grades, cheering, and attending school events. Rachel rang the bell on December 7th, 2021.

The Assumption student section wore purple to the basketball game at West to support Rachel on her last day of Chemotherapy. Below Left: Rachel's friends surprise her with signs after she rang the bell!

# ATALIE *strong*

What seemed like the start of a normal summer turned out to be the exact opposite for junior Natalie Paulsen. On June 24th, 2021, Natalie was diagnosed with Acute Myeloid Leukemia. Natalie spent almost eight months in and out

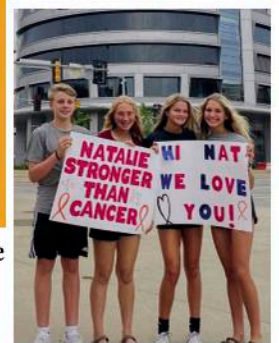

of the Children's Hospital, undergoing rounds and rounds of chemotherapy. She showed inexplicable strength. Natalie received a bone marrow transplant on January 21st, 2022 and continues to fight hard every day.

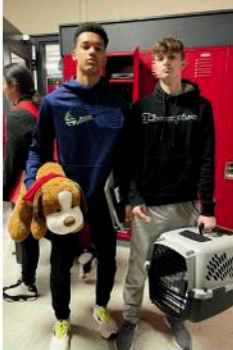

Below Natalie's friends volunteer at the benefit held to raise money for her treatment.

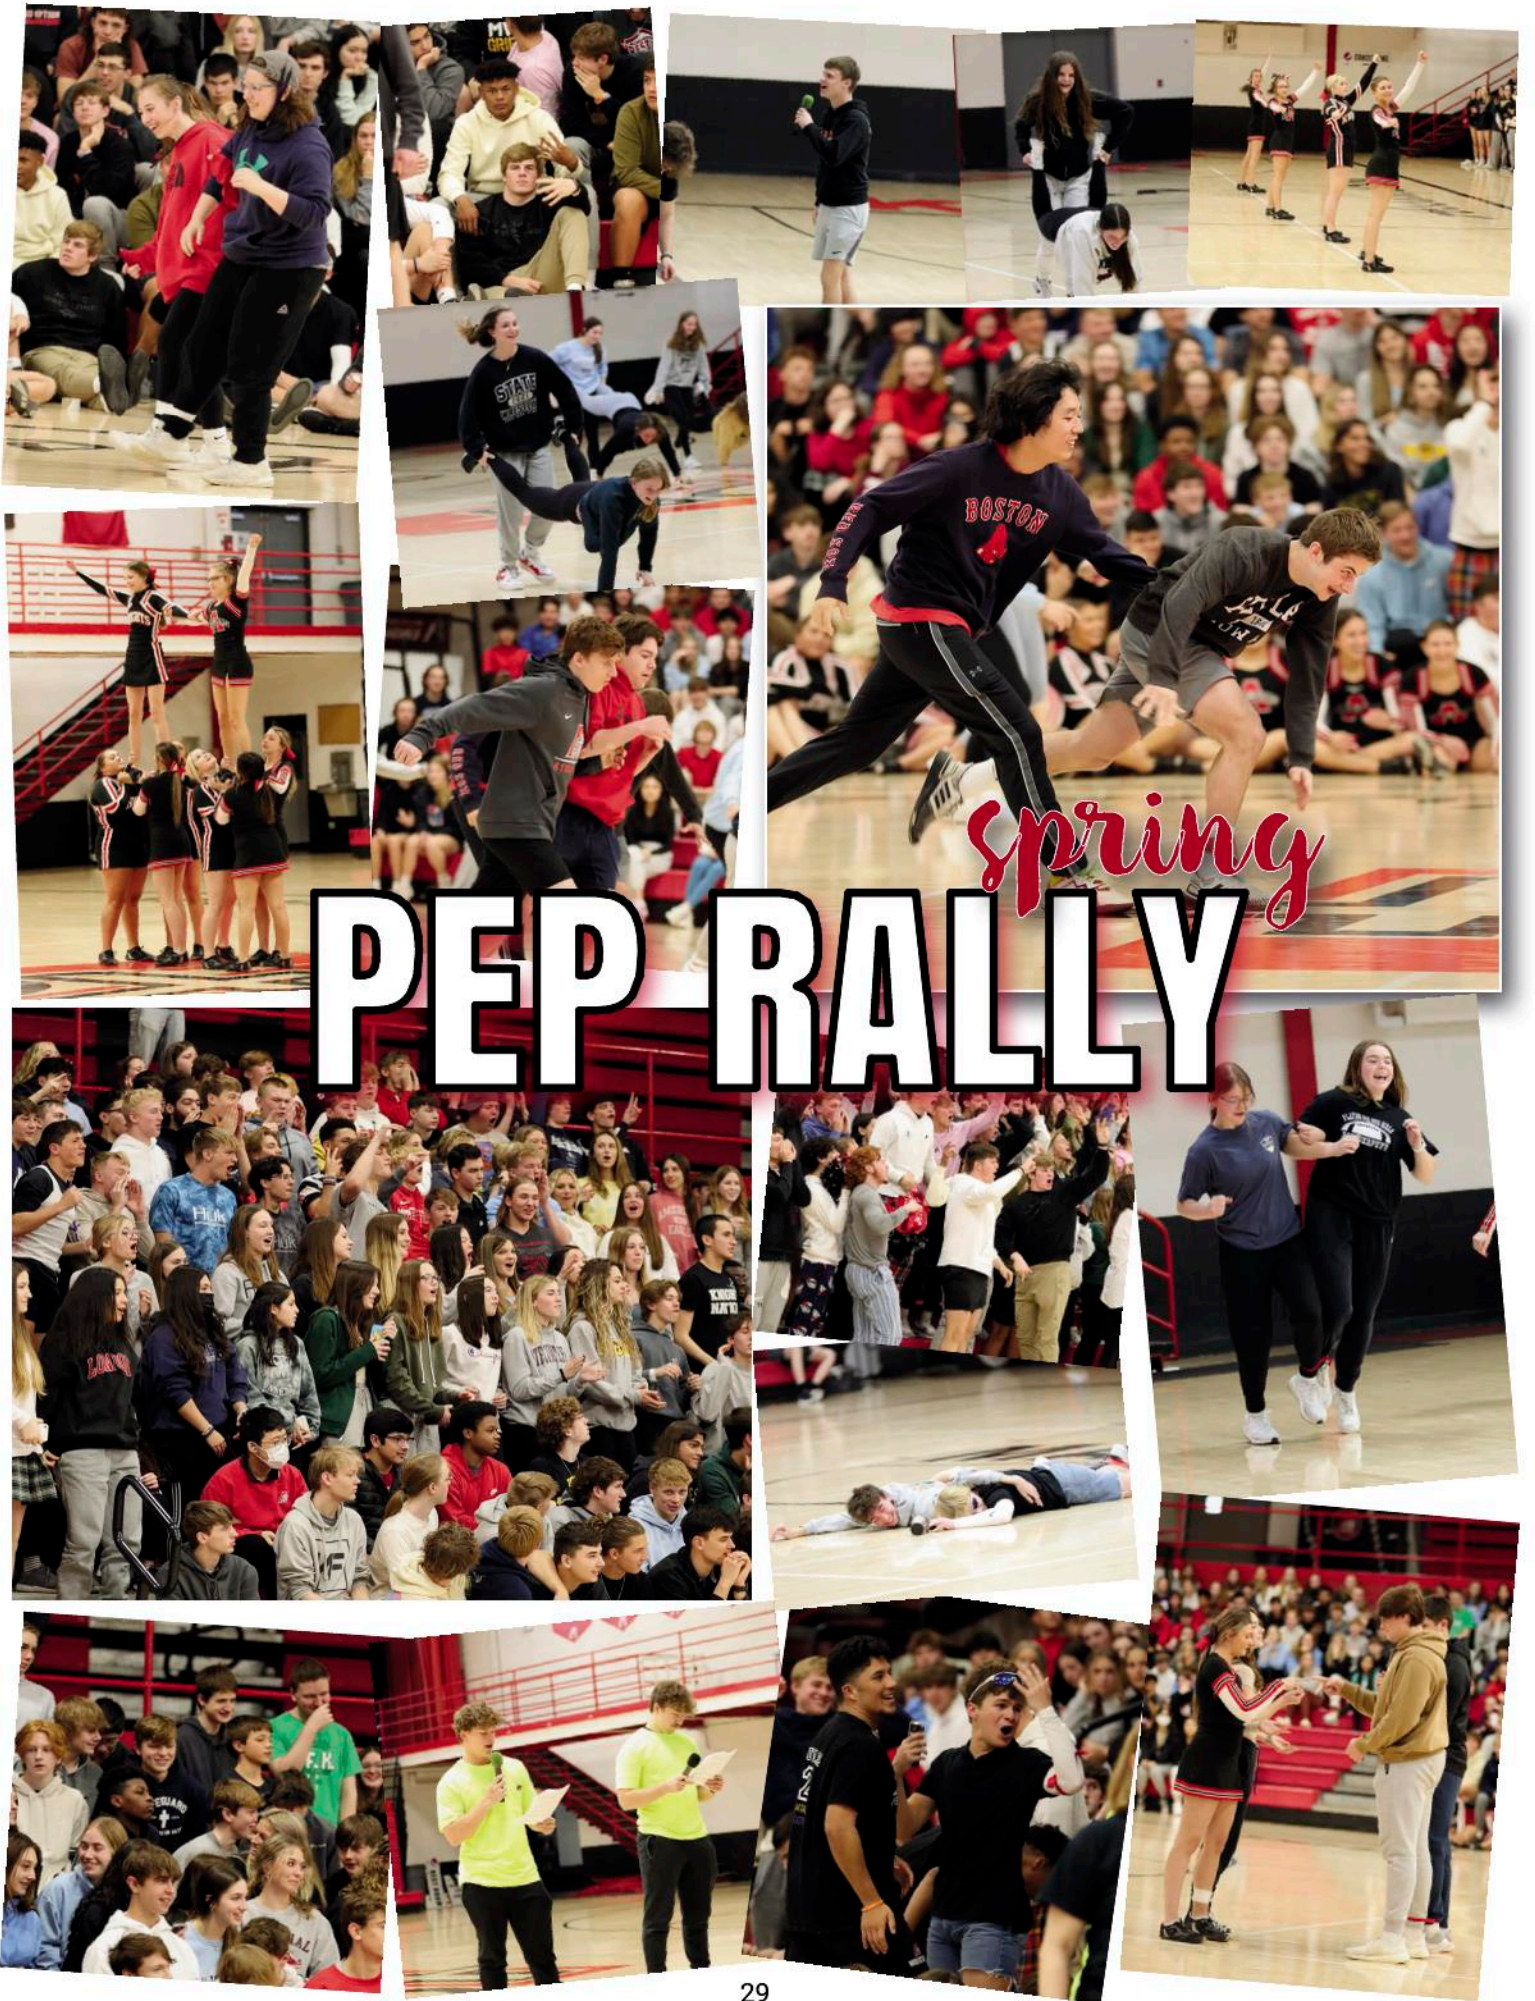

The Assumption student section had an orange-out theme at a home basketball game to support Natalie during the week of her benefit.

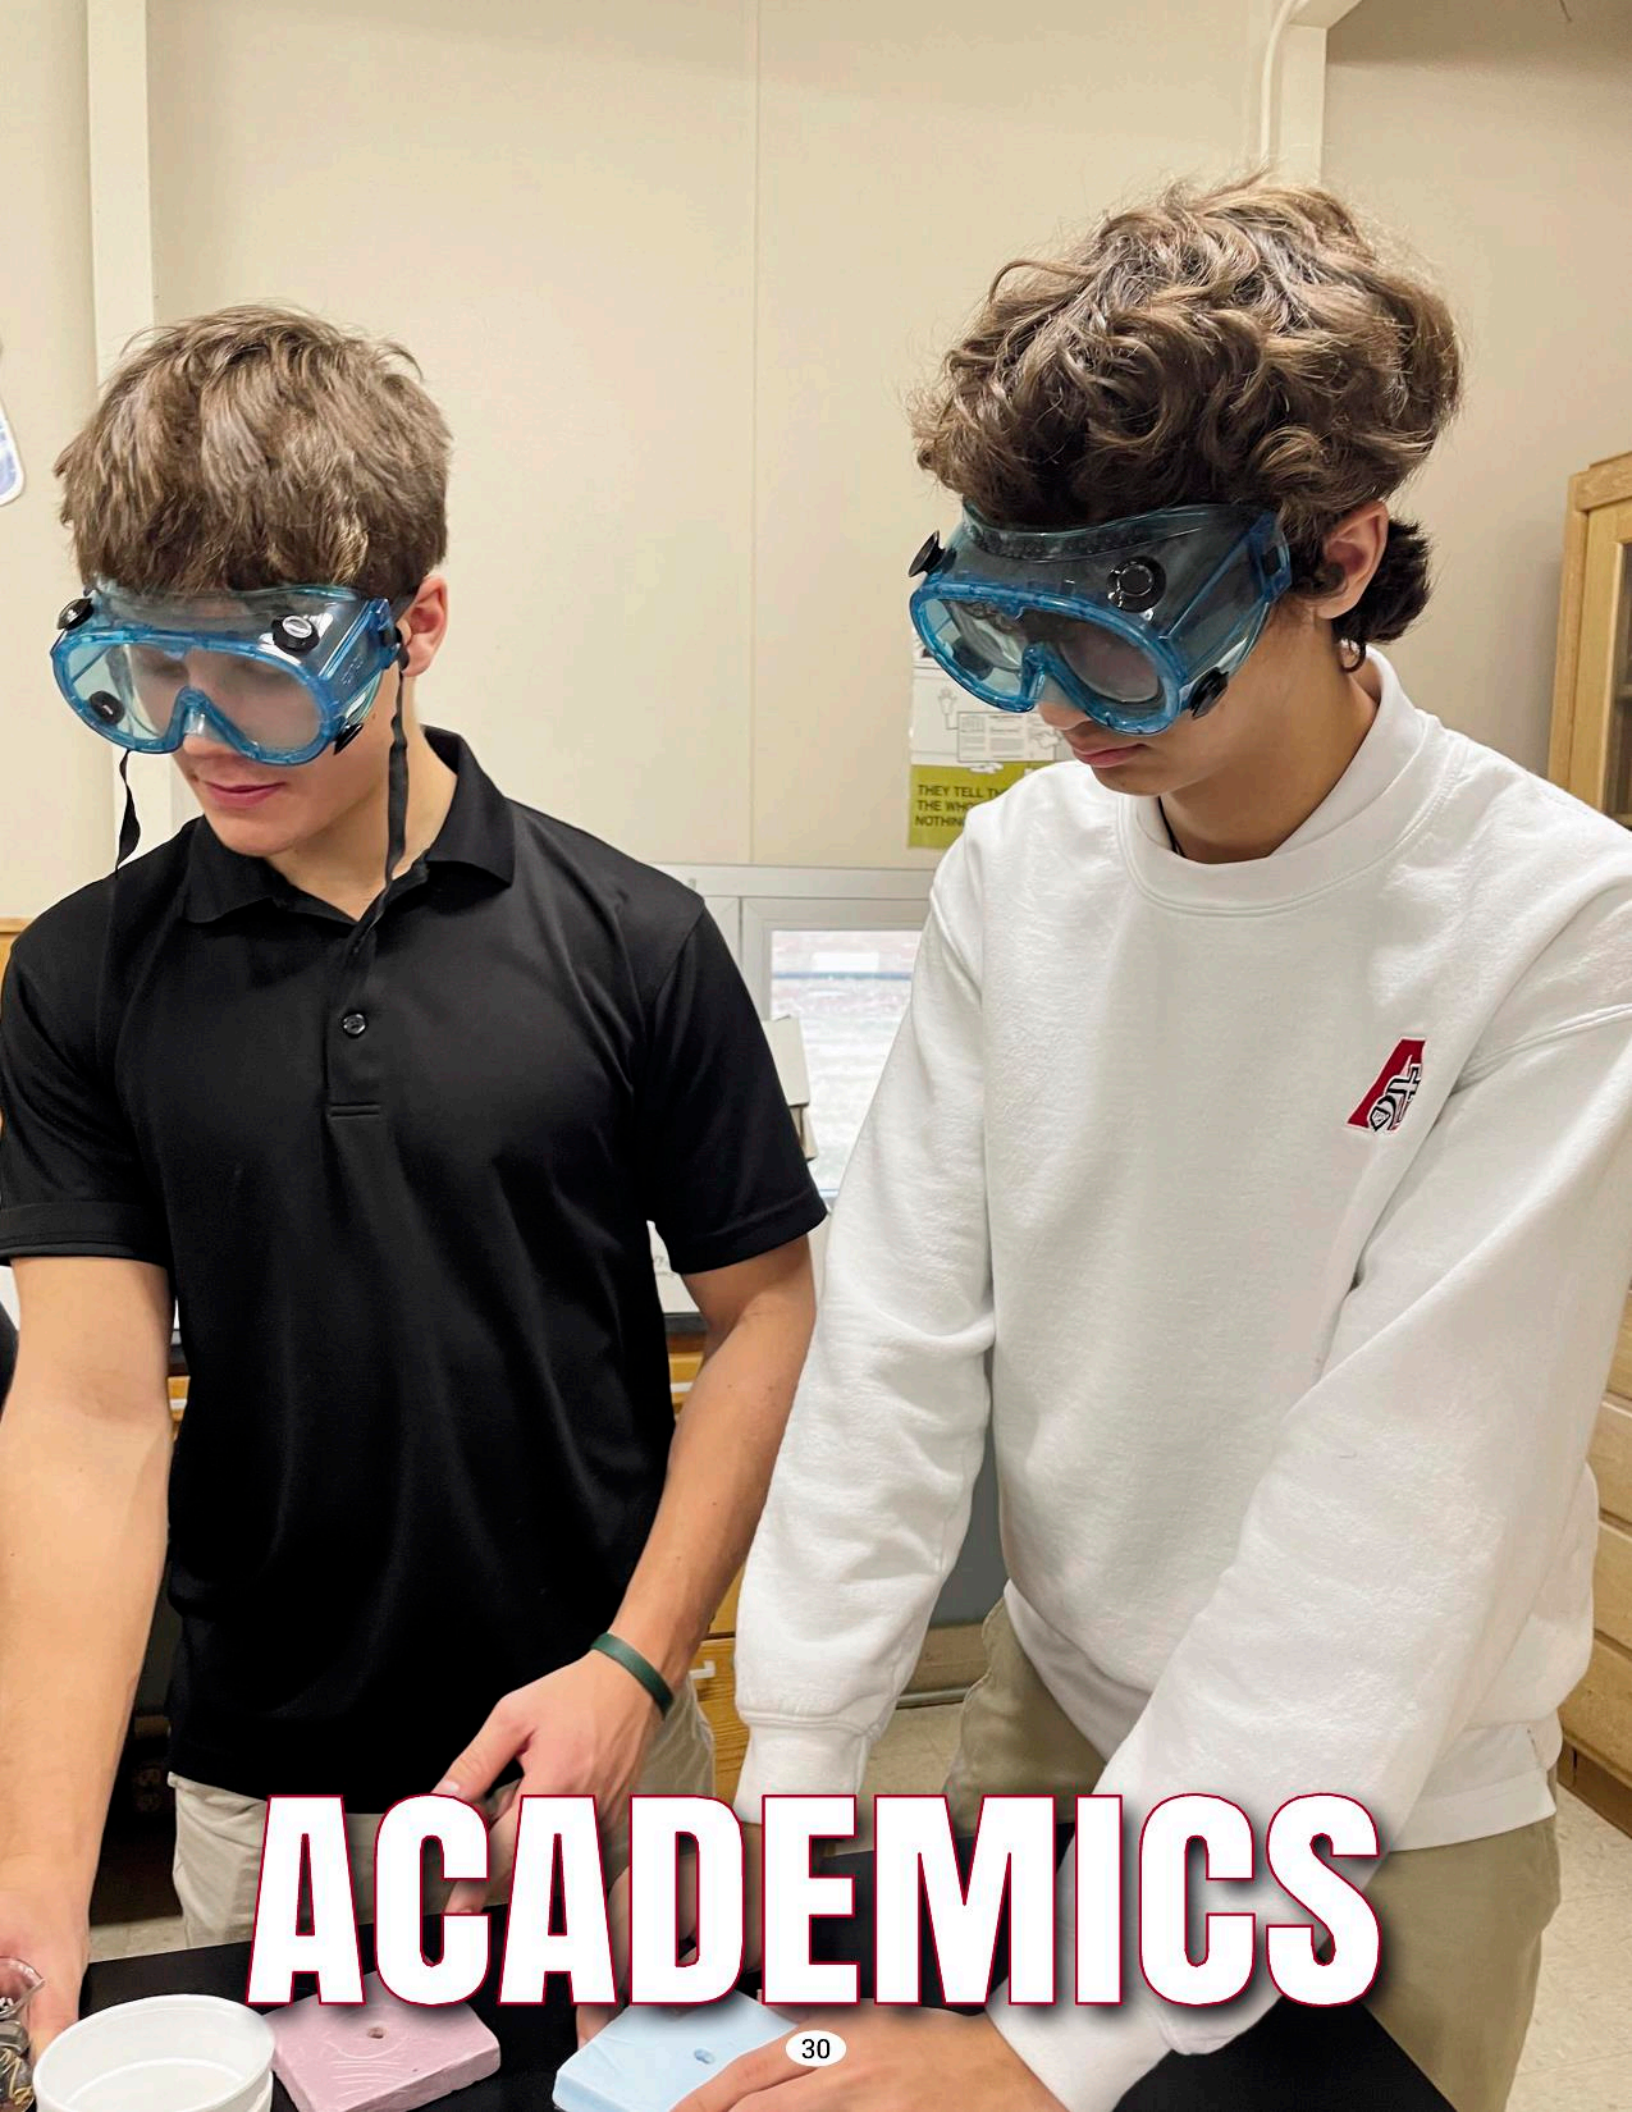

For April Fools Day 2022, the senior class orchestrated a school wide "anything but a backpack" day. # SENIORS '22

This year's Senior class has 118 students. All of the Seniors, at the Homecoming Game, parade in front of the home fans with their class banner.

The seniors got the chance to do the "Let Me Hear Your Knight Spirit!" and The Class Chant at the Christmas themed winter pep rally.

Sam Lizak became interested in hockey while watching it on TV when he was young and has been in love since. He laced up his first pair of skates when he was three and started playing at four.

He currently trains in Cedar Rapids and does some skating at River's Edge. His official

training and practices are in Cedar Rapids.

Sam plans to continue playing because it keeps him in shape, and allows him to connect with friends. He feels hockey has taught him many life lessons.

He will continue to play in college at St. Cloud State with their club program.

Miley Ashby became interested in hockey watching the women play in the Winter Olympics. She found it fascinating how the women played so aggressively in a fast paced sport like hockey.

She has been playing for nearly nine years. The first five years with the Ice Eagles, a competitive boy's select team. The next three years were spent with the Revolution travel team in Bloomington, IL. This was an all girl's select team. This last year Miley captained the first ever girl's Ice Eagles team.

She has found that most of the training is on your own. Her team practices three times a week at River's Edge. Two nights a week are power skating and conditioning. These practices also include game situations with team trainer Jake Toporowski and practice with the boy's team. Miley has done many clinics on her own in the Chicago area for additional training.

Miley plans to continue playing hockey in college, and continue after with coaching and adult-league play. She says, "hockey will always be part of my life". She is currently helping to build the girl's program in the Quad Cities. She hopes this will give other young girls the exposure to the sport, and training opportunities that weren't available to her when she started.

**Jacob Miller** first became interested in flying after being a passenger on multiple commercial flights to visit family and on vacations. "Traveling is one of my favorite things to do" he said. "This is what made me want to start flying." He completed his pilot training at Davenport Municipal Airport. After approx. 19 hours of ground and air flight instruction he completed his first solo flight in December 2020. After completing several cross-country flights, he completed and passed an intensive written exam. After numerous months of training, he passed his FAA checkride on October 31, 2021, and received his Private Pilots License. He told me, "there is something spectacular about being at the controls of an airplane 4,000 feet above the ground". He plans to attend a college with a good aviation program, and eventually fly for the airlines as a career. -Lily VanSeveren

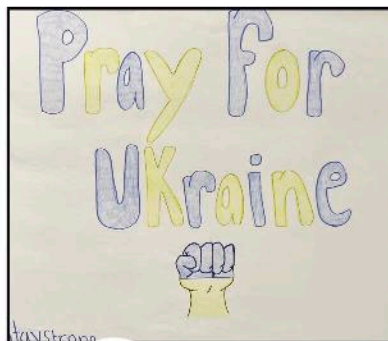

## CORNER TALK with Jake Miller

Lord, make me an instrument of your peace. Where there is hatred, let me show love, Where there is doubt, faith, Where there is despair, hope. Where there is sadness, joy. O Divine Master, grant that I may not so much seek to console, not so much to be understood as to understand, not so much to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, it is in dying that we awake to eternal life.

Lord, Please Protect and look-over ALL of the Ukrainian people. Protect the citizens that are caught in the cross-fire. Look over the soldiers that are being sent out. Amen.

## EMERGENCY EVACUATION

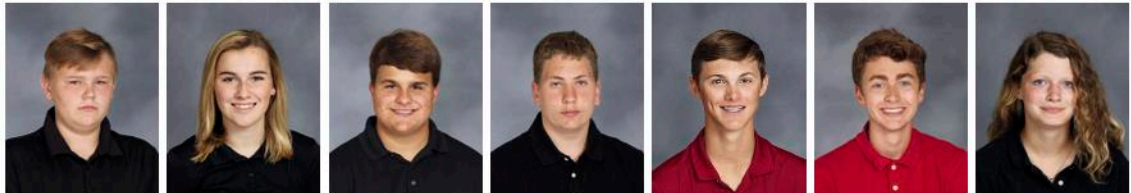

THE PRESIDENT CONTINUED the withdrawal of troops from Afghanistan, and completed the evacuation on Aug. 30. It marked the end of a 20-year war, the country's longest. The decision was in response to increased offensive efforts by the Taliban, and intelligence reports predicting the capitol city, Kabul, would fall within weeks. The withdrawal was the largest evacuation of American citizens, military aides and other personnel in history.

This year's sophomore class consists of 104 students. Besides their academic achievements, the sophomores of Assumption have been involved with athletics, performing arts, and other extra curricular activities. We cannot wait to see how these students continue to grow as upperclassman next year.

HOMECOMING

Olivia Rogalla started wrestling as a 3rd generation wrestler. She's been wrestling around 5 years now and is currently wrestling with AHS. She plans to wrestle in college, and possibly coach after college. This year the State of Iowa sanctioned Girl's Wrestling. Before sanctioning, Olivia has had to wrestle with the boy's. She said there have been struggles, including referees that don't think women belong in wrestling and most tournaments haven't had girls brackets. There is a difference in strength between the sexes and she said that has been difficult. This year she placed 7th at the first Girl's State Tournament.

The Freshmen class has 113 students this year. This class has done an amazing job adjusting to high school. They come out and support their fellow classmates at anything they do. Assumption is very lucky to have this class for the next 3 years.

## Homecoming Banner

The freshmen class parading across the track at the homecoming game. They are carrying their class banner very proudly. Some students choose to get on the shoulders of other students to get a better view as they pass their and their fellow classmates parents.

From AZ, to TN roots, to FL, to AL to the Quad cities we have gone, never alone, but in God's hands. Now a turn, a new path dawns, and onward you must go; into the world, paths diverge, to each there is a plan; and go you will, in God's good care, with prayers and love and support, but know you this as you go, never go on alone.

Psalm 118:105 - "Thy word is a lamp to my feet, and a light to my paths."
