Administration

Andy Craig, SCCS President
Bridget Murphy, Assumption Principal
Mike Frieden, Director of Student Success
Wade King, Athletic Director
Lynn Day, Academic Advisor
Kelly Bush, Director of Student Wellness

Our Mission

... as a Catholic educational community, is to prepare students *spiritually, morally, and academically* for the opportunities and responsibilities of the future.

A TRADITION OF EXCELLENCE

Welcome

In 1958, with the merger of St. Ambrose Academy and Immaculate Conception Academy, Assumption opened its doors as a co-institutional facility.

From the beginning, Assumption's Catholic identity has given it a special spirit. Each day begins with prayer in the knowledge that all is done for the "Glory of God." For over 50 years, Assumption has been faithful to this vision making it unique to the community.

Assumption High School one of 5 Catholic schools in its locale that make up the K-12 system of SCCS (Scott County Catholic Schools). All schools in SCCS are accredited by the State of Iowa Department of Education. Assumption's 9-12 enrollment for the 2023-2024 school year was 425 students.

CLASS OF 2024

- Assumption High School embraces a rigorous academic program, with 99% of the class of 2024 completing AP and/or college courses prior to graduation.
- 98% of the class of 2024 plans to pursue post-secondary education. Of these students, 71% plan to attend a 4-year university, 27% plan to attend a community college or trade program.
- \$9,680,386.00 in scholarship money was earned by the Class of 2024.
- 42% of seniors graduated with a cum laude status (G.P.A. of 3.5 or higher).
- Continued the tradition of a 100% graduation rate with 100% of graduates completing a core-based academic program.
- 25 student clubs beyond athletics and co-curricular activities are offered at AHS.
- 80 community service hours are documented by every AHS student prior to graduation, and most students far surpass this minimum.
- 43% of the Assumption faculty is educated at a Master's level or higher in their content area.

Students from Assumption are accepted and attend many rigorous post-secondary schools including but not limited to:

Boston College	University of Iowa
Marquette University	University of Notre Dame
Northwestern University	West Point Academy

| Intermediate Spanish II | |

GRADING SCALE

- | | |
|-----------------|-----------------|
| A 93-100 (4.00) | C 73-76 (2.00) |
| A- 90-92 (3.67) | C- 70-72 (1.67) |
| B+ 87-89 (3.33) | D+ 67-69 (1.33) |
| B 83-86 (3.00) | D 63-66 (1.00) |
| B- 80-82 (2.67) | D- 60-62 (0.67) |
| C+ 77-79 (2.33) | F 0-59 (0.00) |

APR GOALS 2023-2024 RESULTS

Reading: Our annual improvement goal in reading for the 2023-2024 school year is to increase the average ISASP ELA Reading Scale Score of the cohort (matched) group for the class of 2025 by a minimum of 31 points. During the 2022-2023 school year, the Class of 2025 had an average ISASP ELA Reading Scale Score of 583 on the Iowa Assessment reading test.

Goal met: *There were 102 students in the matched cohort group for the class of 2025. In 2022-2023, the average ISASP ELA Reading Scale Score of this cohort was 583. In 2023-2024, the average ISASP ELA Reading Scale Score of this same student group was 614. This reflects an increase of 31 points, which meets the goal.*

Mathematics: Our annual improvement goal in mathematics for the 2023-2024 school year is to increase the average ISASP Mathematics Scale Score of the cohort (matched) group for the class of 2025 by a minimum of 22 points. During the 2022-2023 school year, the Class of 2025 had an average ISASP Mathematics Scale Score of 587.

Goal met: *There were 102 students in the matched cohort group for the class of 2025. In 2022-2023, the average ISASP Mathematics Scale Score of this cohort was 588. In 2023-2024, the average ISASP Mathematics Scale Score of this same student group was 619. This reflects an increase of 31 points, which exceeds the goal of an increase of at least 22 points by 9 points.*

Science: Our annual improvement goal in science for the 2023-2024 school year is to increase the average ISASP Science Scale Score of the cohort (data-matched) group for the class of 2026 by a minimum of 45 points from their grade 8 scores.

Goal met: *There were 94 students in the data matched cohort group for the class of 2026. In 2021-2022, the average ISASP Science Scale Score of those students as 8th graders was 563. In 2023-2024, the average ISASP Science Scale Score of those students as 10th graders was 619. This reflects an increase of 56 points, which exceeds the goal of an increase of at least 45 points by 11 points.*

APR GOALS 2024-2025

Reading: Our annual improvement goal in reading for the 2024-2025 school year is to increase the average ISASP ELA Reading Scale Score of the cohort (matched) group for the class of 2026 by a minimum of 31 points. During the 2023-2024 school year, the Class of 2026 had an average ISASP ELA Reading Scale Score of 599 on the Iowa Assessment reading test.

Mathematics: Our annual improvement goal in mathematics for the 2024-2025 school year is to increase the average ISASP Mathematics Scale Score of the cohort (matched) group for the class of 2026 by a minimum of 22 points. During the 2023-2024 school year, the Class of 2026 had an average ISASP Mathematics Scale Score of 602.

Science: Our annual improvement goal in science for the 2024-2025 school year is to increase the average ISASP Science Scale Score of the cohort (data-matched) group for the class of 2027 by a minimum of 45 points from their grade 8 scores.

SPRING 2024 ISASP SCHOOL ACHIEVEMENT SUMMARY

English Language Arts:

Assumption (Grade 11)

State of Iowa (Grade 11)

Assumption Females (Grade 11)

State of Iowa Females (Grade 11)

Assumption Males (Grade 11)

State of Iowa Males (Grade 11)

Assumption Race/Ethnicity - Hispanic or Latino (Grade 11)

State of Iowa Race/Ethnicity - Hispanic or Latino (Grade 11)

State of Iowa Race/Ethnicity - White (Grade 11)

State of Iowa Race/Ethnicity - White (Grade 11)

Science:
