STUDENT Council

Student Council members serve as the voice of their classmates, bringing forward ideas and working together to strengthen both the Assumption High School community and the greater Assumption community. They help plan and coordinate many of the school's major events, including the Student Hunger Drive, Dodgeball for Diapers, Homecoming, Freshman Formal, and Prom, while also assisting with activities and events throughout the school year—from registration to graduation.

Have an idea or concern? Reach out to your class president or any Student Council member—we'd love to hear from you!

mike.frieden@assumptionhigh.org

Student Council elections for freshmen are held in the fall, while sophomores, juniors, and seniors elect their class representatives each spring.
