"There are so many things about Assumption High School that are blessings in my life; the faith component, of course, the students and their curiosity, my opportunity to share my knowledge and model my faith with them, the camaraderie of the faculty who are also my friends, and the overall support of the Assumption community. Looking back at my 26 years of teaching, I think I could have enjoyed the academic aspect of it in other places, but I don't think I would be the complete teacher I am today if not for the ability to do this in the direct presence of God."

-Mrs. Wendy Martin, Science Faculty
