Homeroom Bonds

The 2025-2026 school year introduced a common Homeroom period every afternoon. Each student was assigned to a particular teacher with the intent that these Homeroom groups will remain intact throughout each student's time at Assumption. In addition to planning and celebrating grade-level Masses during the Homeroom time, students also enjoy the opportunity to work together in various competitive formats such as the annual tug-of-war, over-under, and diaper drive. Each homeroom is also blessed by the intercessory prayer of a patron saint. What a beautiful way for our students to walk together on their high school journey!

Pray for us.

You have accomplished so much with school and dance. We cannot wait to see what else you accomplish and achieve through your hard work and dedication. Have the best time as a bee at SAU! We love you so much, Dad, Mom, Michael, Jessica, Josephine, and Joanne

Lily Lanning

Four years measured not just in time, but in growth, grind, and grace.

You found your rhythm here in classrooms, in friendships, and in every routine on the gym floor. State champion all four years shows your real victory has been in your commitment, your resilience, and the quiet confidence you've built along the way. Your four years on the golf team were full of laughter, friendships, and little victories that made every season special, showing patience, perseverance, and the joy of giving your best.

God has gifted you with strength, purpose, and a light that shines so brightly in everything you do. You move through life the same way you dance: strong, intentional, and full of heart but more importantly, trusting in His plan even when the path isn't fully clear.

As you step into this next chapter, remember you are never walking alone. Keep your faith at the center, and it will guide you wherever you're meant to go. This is only the beginning of everything waiting for you. We are so proud of you.

Love always, Mom & Dad,

Congrats, Grad!
